2 GENERAL INFORMATION

2.1 Introduction

The Los Angeles County Department of Children and Family Services (DCFS) is issuing this Request for Statement of Qualifications (RFSQ) to solicit interested and qualified licensed resource parent(s) to provide short-term, emergency shelter to children who are in need of safe and temporary shelter. The Emergency Shelter Care (ESC) services will be provided to children between the ages of 0-17, sibling groups, teen mothers with infants, and non-minor dependents (NMDs).

Titles, captions and headings contained in this solicitation are inserted as a matter of convenience and for reference and are not intended and will not be deemed or construed to define, limit, extend, or otherwise describe the scope or any provision of this solicitation.

2.2 Scope of Work

The County of Los Angeles Department of Children and Family Services is seeking qualified licensed resource parent(s) to enter into contracts with the County to provide short-term, emergency shelter to children who are in need of safe and temporary shelter.

- 2.2.1 Contractors must implement the requirements outlined in Appendix A, Sample Contract, Standard Exhibit A, Statement of Work, of this RFSQ.
- 2.2.2 The selected ESC Contractors must maintain the agreed number of vacant beds on a 24 hours a day, 7 days a week basis for emergency placement of referred ESC children. ESC Contractors must respond within two (2) hours to all calls for available beds for placement, including calls received after normal business hours, and during weekends and holidays.
- 2.2.3 Once an ESC Child is placed in an available bed, the ESC Contractors will ensure the safety and well-being of the child as required by the most current Resource Family Approval (RFA) Written Directives.
- 2.2.4 Each ESC Contractor must certify they will maintain the confidentiality of all foster youth records and information, in accordance with all applicable laws pertaining to confidentiality, as specified in Appendix A, Sample Contract, Contractor Acknowledgement and Confidentiality Agreement, Exhibit F, of this RFSQ.
- 2.2.5 The ESC Program anticipates a need for available beds in the following regions:
 - North Region:** SPA 1 (Lancaster, Palmdale) and SPA 2 (Santa Clarita, Van Nuys, West San Fernando Valley);
 - East Region:** SPA 3 (Pasadena, Covina, and Pomona) and SPA 4 (Metro Los Angeles, West Los Angeles);

- West Region:** SPA 5 (West Los Angeles) and SPA 6 (Vermont Corridor, Compton/Carson);
- South Region:** SPA 7 (Santa Fe Springs and Belvedere) and SPA 8 (Torrance, South County).

2.2.6 Service Capacity and Compensation

2.2.6.1 Bed Availability Rate

The Bed Availability Rates to be paid to ESC Contractors are as follows:

<i>The County will pay:</i>
\$400 per month for each bed held available for Children Ages 0-17 and NMDs
\$400 per month for each bed held available for Sibling Groups, Ages 0-17 (A 2-bed minimum is required)
\$600 per month for each set consisting of <u>one bed and one crib</u> held available for a teen mother and her Infant

2.2.6.2 Foster Care Placement Rate

When an ESC Child is placed in the ESC Contractor's available bed, the Bed Availability Rate will continue, and the ESC Contractor will receive additional compensation at the Aid to Families with Dependent Children-Foster Care (AFDC-FC) Specialized Care Rate (SCR) category for foster children, depending on the ESC Child's category, for the number of days the ESC Child remains in the ESC Contractor's home.

2.2.6.3 Payment

Both the bed rate and foster care placement rate are calculated on a pro-rata basis each month for each day service was provided. Contractors will receive two (2) separate payments, as the monthly payment for the bed availability rate is paid through an invoicing process, and the monthly payment for Foster Care Placement Rate is paid through a voucher process.

If a bed vacancy exceeds 60 days, County Program Manager (CPM) reserves the right to withhold Bed Availability payment and place the bed "off-call" status until a placement is secured.

5 NOTIFICATION TO LICENSED RESOURCE PARENT(S)

5.1 Notice to Licensed Resource Parent(s) Concerning the Public Records Act

5.1.1 Responses to this RFSQ will become the exclusive property of the County. At such time as when Department recommends the qualified resource parent(s) to the Board of Supervisors (Board) and such recommendation appears on the Board agenda, all SOQ’s submitted in response to this RFSQ, become a matter of public record, with the exception of those parts of each SOQ which are justifiably defined and identified by the Proposer as business or trade secrets, and plainly marked as “Trade Secret,” “Confidential,” or “Proprietary.”

5.1.2 The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or

otherwise by law. A blanket statement of confidentiality or the marking of each page of the SOQ as confidential will not be deemed sufficient notice of exception. The Proposer must specifically label only those provisions of their respective SOQ which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

5.2 Contact with County Personnel

Any contact regarding this RFSQ or any matter relating thereto must be in writing and e-mailed to:

Joan Arcilla, Contract Analyst
ArcilJ@dcfs.lacounty.gov

If it is discovered that a Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their SOQ from further consideration.

5.3 Mandatory Requirement to Register on County's WebVen

Prior to executing a Contract, all potential Contractors must register in the County's WebVen. The WebVen contains the Proposer's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>.

5.4 Protest Process

5.4.1 Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Section 5.4.3 below. Additionally, any actual Proposer may request a review of a disqualification under such a solicitation, as described in the Sections below.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

5.4.3.1 Solicitation Requirements Review (Referenced in Section 9.1)

5.4.3.2 Disqualification Review (Referenced in Section 9.2)

5.5 Conflict of Interest

No County employee whose position in the County enables them to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse or economic dependent of such employees, will be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer must certify that they are aware of and have read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms).

5.6 Determination of Contractor Responsibility

- 5.6.1** A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.
- 5.6.2** Contractors are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the Contractor is responsible based on a review of the Contractor's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Contractor against public entities. Labor law violations which are the fault of the subcontractors and of which the Contractor had no knowledge will not be the basis of a determination that the Contractor is not responsible.
- 5.6.3** The County may declare a Contractor to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- 5.6.4** If there is evidence that the Contractor may not be responsible, the Department will notify the Contractor in writing of the evidence relating to the Contractor's responsibility, and its intention to recommend to the Board of Supervisors that the Contractor be found not responsible. The Department will provide the Contractor and/or the Contractor's representative with an opportunity to present evidence as to why the Contractor should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

5.6.5 If the Contractor presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Contractor will reside with the Board of Supervisors.

5.6.6 These terms will also apply to proposed subcontractors of Contractors on County contracts.

5.7 Contractor Debarment and Contractor Alert Reporting Database (CARD)

5.7.1 Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor's existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.7.2 These terms will also apply to proposed subcontractors of Contractors on County contracts.

5.7.3 A listing of contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: <https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

5.7.4 The County maintains databases, such as CARD, that track/monitor Contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a Contract term extension option.

5.8 Gratuities

5.8.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Contractor with the implication, suggestion or statement that the Contractor's provision of the consideration may secure more favorable treatment for the Contractor in the award of a Contract or that the Contractor's failure to provide such

consideration may negatively affect the County's consideration of the Contractor's submission. A Contractor must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a Contract.

5.8.2 Contractor Notification to County

A Contractor must immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Contractor's submission being eliminated from consideration.

5.8.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5.9 Notice to Contractors Regarding the County Lobbyist Ordinance

This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Contractor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the Contractor is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

5.10 Consideration of GAIN/GROW Participants for Employment

5.10.1 As a threshold requirement for consideration of a Contract, Contractors must demonstrate a proven record of hiring participants in the County's [Department of Public Social Services Greater Avenues for Independence \(GAIN\) or General Relief Opportunity for Work \(GROW\) Programs](#) or must attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Contractors must attest to a willingness to provide employed GAIN/GROW participants access to the

Contractor's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

- 5.10.2** Contractors who are unable to meet this requirement will not be considered for a Contract. Contractors must submit a completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), along with their SOQ.

5.11 Jury Service Program

- 5.11.1** The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective Contractors should carefully review Section 8.7 (Compliance with the County's Jury Service Program) of Appendix A (Sample Contract), which is incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their Subcontractors.

SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 5.11.2** Contractor must certify compliance with County's Contractor Employee Jury Service Ordinance in Certification of Compliance, Exhibit 2 (Required Forms). If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Certification of Compliance, Exhibit 2, Appendix B (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

5.12 Intentionally Omitted

5.13 Intentionally Omitted

5.14 Defaulted Property Tax Reduction Program

- 5.14.1** The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") ([Los Angeles County Code, Chapter 2.206](#)). Prospective Contractors should reference the pertinent provisions of Appendix A (Sample Contract), Sections 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

- 5.14.2** Contractors will be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain

compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor ([Los Angeles County Code, Chapter 2.202](#)).

- 5.14.3** SOQs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.
 - 5.15 Contractor's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking**
 - 5.15.1** On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits Contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.
 - 5.15.2** Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Section 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix A (Sample Contract). Further, contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this solicitation.
- 5.16 Intentionally Omitted**
- 5.17 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)**
 - 5.17.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
 - 5.17.2** Upon contract award or at the request of the A-C and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and Contractor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
 - 5.17.3** Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will

supersede this requirement with respect to those payments.

- 5.17.4** Upon contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.18 Intentionally Omitted

5.19 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. ([Los Angeles County Code, Chapter 2.202](#)).

5.20 Intentionally Omitted

8 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

8.1 Review Process

SOQs will be subject to a detailed review by qualified County staff. The review process will include the following steps:

8.1.1 Adherence to Minimum Qualifications

County will review Exhibit 6, Minimum Requirements (of Appendix B, Required Forms), and determine if the Proposer meets the minimum qualifications as outlined in Section 3 of this RFSQ.

Failure of the Proposer to comply with the minimum qualifications may eliminate its SOQ from any further consideration. The Department may elect to waive any informality in an SOQ if the sum and substance of the SOQ is present.

If the SOQ is determined not to comply with the minimum qualifications or is disqualified, the Proposer may submit a new SOQ for consideration within the open continuous period through **September 30, 2028 by 5:00 P.M.**

8.1.2. Proposer's Qualification (Section A)

8.1.4 Proof of Licenses

Prospective Proposer must furnish a copy of all applicable licenses:

a) Resource Family Home License issued by the California Department of Social Services (CDSS), CCLD; and

~~b) Resource Family Approval issued by the County; and,~~

~~e) b)~~ California Driver's License.

8.2 Selection/Qualification Process

The Department will generally select Proposers that have experience in providing a broad range of ESC services.

8.2.1 The review and evaluation process of the SOQ consists of two phases based on the order received determined by date and time.

8.2.2 The first phase consists of a pass/fail home evaluation, review and confirmation of proof of licensing, and a review of records for substantiated, open non-compliance findings, or investigations with any County, State, Federal, or out-of-state government agency by the County Program Manager or designated staff. SOQs that pass the first phase will be submitted by the County Program Manager to the Contract Analyst for the second phase of review. County Program Manager will only recommend as many Prospective Proposers as needed to provide service in each region.

8.2.3 The second phase consists of a pass/fail Responsiveness and Responsibility Review of the SOQ to confirm Minimum Qualifications are met and to confirm Required Forms are completed.

8.2.4 At any time, a SOQ may be found to be non-responsive, and a Prospective Proposer may be found to be non-responsible, and such SOQs and/or Prospective Proposers may be disqualified.

8.2.5 Prospective Proposers whose SOQs have been determined to meet the requirements of this RFSQ, as needed to provide service in each region, will be recommended for a contract.

8.2.6 Prospective Proposers who are recommended for a contract award are subject to the approval of the Board of Supervisors for execution of a contract.

8.3 Contract Awards

Proposers who are notified by the Department that they appear to have the necessary qualifications and experience (i.e., they are qualified) may not be recommended for a Contract if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Contract. Only when all such matters have been demonstrated to the Department's satisfaction can a Proposer, which is otherwise deemed qualified, be

regarded as “selected” for recommendation of a Contract.

The Department will execute Board of Supervisors-authorized Contracts with each selected Proposer. All Proposers will be informed of the final selections.

9 PROTEST PROCESS OVERVIEW

9.1 Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Transmittal Form to Request a Solicitation Requirements Review) to the Department conducting the solicitation as described in this Section. A request for a Solicitation Requirements Review may be denied, in the Department's sole discretion, if the request does not satisfy all of the following criteria:

- 9.1.1** The request for a Solicitation Requirements Review is made within the time frame identified in the solicitation document by **August 15, 2023**.
- 9.1.2** The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a SOQ;
- 9.1.3** The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- 9.1.4** The request asserts that either:
 - 9.1.4.1** application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - 9.1.4.2** due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposer.

The Solicitation Requirements Review will be completed and the Department's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the SOQ due date.

9.2 Disqualification Review

An SOQ may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that an SOQ is disqualified due to non-responsiveness, the Department will notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 9.2.1** The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- 9.2.2** The request for a Disqualification Review asserts that the Department's

determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed and the determination will be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but will not be limited to, criminal conviction information. The fees associated with the background investigation will be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation.

8.4 Budget Reductions

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract will also be reduced correspondingly. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. 8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless the contractor has demonstrated to the County's satisfaction either that the contractor is not a "contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the contractor must have and adhere to a written policy that provides that its Employees will receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the Employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this paragraph, "contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

8.8.2.3 If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the contractor must immediately notify the County if the contractor at any time either comes within the Jury Service Program's definition of "contractor" or if the contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor must immediately implement a written policy consistent with the Jury Service Program. The County may

also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County's satisfaction that the contractor either continues to remain outside of the Jury Service Program's definition of "contractor" and/or that the contractor continues to qualify for an exception to the Program.

8.8.2.4 Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring ~~GAIN-GROW~~ GAIN/START Participants

8.11.1 Should the contractor require additional or replacement personnel after the effective date of this Contract, the contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or ~~General Relief Opportunity for Work (GROW)~~ Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the contractor will interview qualified candidates. The County will refer ~~GAIN-GROW~~ GAIN/START participants by job category to the contractor. Contractors must report all job openings with job requirements to: ~~GAINGROW@DPSS.LACOUNTY.GOV~~ gainstart@dpss.lacounty.gov and

BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified ~~GAIN/GROW~~ GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and ~~GAIN/GROW~~ GAIN/START participants are available for hiring, County employees must be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively

reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

- 8.12.4.1** If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 8.12.4.2** The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 8.12.4.3** After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 8.12.4.4** If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

No performance of this Contract or any portion thereof may be subcontracted by the Contractor.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>,

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County

through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

- 8.14.2** As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the contractor's duty under this Contract to comply with all applicable provisions of law, the contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

- 8.15.1** The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

- 8.16.1** The contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the contractor or employees or agents of the contractor. Such repairs must be made immediately after the contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.16.2** If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

- 8.17.1** The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others

and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.17.2** The contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party

or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both contractor and such subcontractor, and without any fault or negligence of either of them. In such case, contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event contractor's failure to perform arises out of a force majeure event, contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

8.22.3 The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation

liability, solely employees of the contractor and not employees of the County. The contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

- 8.22.4** The contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).
- 8.23 Intentionally Omitted**
- 8.24 Intentionally Omitted**
- 8.25 Intentionally Omitted**
- 8.26 Liquidated Damages**
 - 8.26.1** If, in the judgment of the DCFS Department Head, or designee, the contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the DCFS Department Head, or designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the contractor from the County, will be forwarded to the contractor by the DCFS Department Head, or designee, in a written notice describing the reasons for said action.
 - 8.26.2** If the DCFS Department Head, or designee, determines that there are deficiencies in the performance of this Contract that the DCFS Department Head, or designee, deems are correctable by the contractor over a certain time span, the DCFS Department Head, or designee, will provide a written notice to the contractor to correct the deficiency within specified time frames. Should the contractor fail to correct deficiencies within said time frame, the Department Head, or designee, may: (a) Deduct from the contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars (\$100) per day per infraction. Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the contractor; and/or (c) upon giving a five (5) day notice to the contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred

by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the contractor from the County, as determined by the County.

8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the contractor to recover the County cost due to the failure of the contractor to complete or comply with the provisions of this Contract.

8.26.4 This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the contractor's prices decline or should the contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 Contractor certifies to the County each of the following:

8.28.2.1 That contractor has a written policy statement prohibiting discrimination in all phases of employment.

8.28.2.2 That contractor periodically conducts a self-analysis or utilization analysis of its work force.

8.28.2.3 That Contractor has a system for determining if its employment practices are discriminatory against protected groups.

8.28.2.4 Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.28.3 The contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age,

physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.28.4** The contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 8.28.5** The contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6** The contractor will allow County representatives access to the contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.28.7** If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8** The parties agree that in the event the contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the contractor. This Contract will not restrict County from

acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The contractor must bring to the attention of the County Program Manager and/or County Program Director any dispute between the County and the contractor regarding the performance of services as stated in this Contract. If the County Program Manager or County Program Director is not able to resolve the dispute, the DCFS Department Head, or designee will resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

The contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

The contractor must notify and provide to its employees, and will require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit G (Safely Surrendered Baby Law) of this Contract. Additional information is available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.34 Notices

All notices or demands required or permitted to be given or made under this Contract must be in writing and will be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits D (County's Administration) and E (Contractor's Administration). Addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The DCFS Department Head, or designee, will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 Prohibition against Inducement or Persuasion

Notwithstanding the above, the contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action

initiated through a public announcement.

8.36 Public Records Act

8.36.1 Any documents submitted by the contractor; all information obtained in connection with the County's right to audit and inspect the contractor's documents, books, and accounting records pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section ~~6250~~ 7921 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a SOQ marked "trade secret", "confidential", or "proprietary", the contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

8.37.1 The contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the contractor from publishing its role under this Contract within the following conditions:

8.37.1.1 The contractor must develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Program Director. The County will not unreasonably withhold written consent.

8.37.2 The contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this

Contract with the County of Los Angeles, provided that the requirements of this Paragraph 8.37 (Publicity) will apply.

8.38 Record Retention and Inspection-Audit Settlement

- 8.38.1** The contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The contractor must also maintain accurate and complete employment and other records relating to its performance of this Contract. The contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.
- 8.38.2** In the event that an audit of the contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the contractor or otherwise, then the contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s)
- 8.38.3.** Failure on the part of the contractor to comply with any of the provisions of this subparagraph 8.38 will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the contractor, then the difference must be either: a) repaid by the contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts

due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the contractor, then the difference will be paid to the contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Subcontracting

8.40.1 No performance of this Contract or any portion thereof may be subcontracted by the Contractor. Any attempt by Contractor to subcontract performance of any of the terms of this Contract, in whole or in part, will constitute a breach of the terms of this Contract. In an event of such breach, this contract may be terminated.

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the contractor, pursuant to [County Code Chapter 2.202](#).

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the contractor must:

8.42.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

8.42.2.2 Complete performance of such part of the work as would not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the contractor under this Contract must be maintained by the contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Program Director:

8.43.1.1 Contractor has materially breached this Contract; **or**

8.43.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; **or**

8.43.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the contractor will not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or

negligence of either of them, the contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the contractor, immediately terminate the right of the contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against the contractor as it could pursue in the event of default by the contractor.

8.44.2 The contractor must immediately report any attempt by a County officer or employee to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of the contractor. The contractor will be deemed to

be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the contractor is insolvent within the meaning of the Federal Bankruptcy Code;

8.45.1.2 The filing of a voluntary or involuntary petition regarding the contractor under the Federal Bankruptcy Code;

8.45.1.3 The appointment of a Receiver or Trustee for the contractor; or

8.45.1.4 The execution by the contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Paragraph 8.45 (Termination for Insolvency) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

The contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by the contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Chapter 2.160](#). Failure on the part of the contractor or any County Lobbyist or County Lobbying firm retained by the contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County will not be obligated for the contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not

be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" will constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of contractor to cure such default within ten (10) days of notice will be grounds upon which County may terminate this contract and/or pursue debarment of contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.53 Time Off for Voting

The contractor must notify its employees and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than ten (10) days before every statewide election, every contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the

provisions of [Section 14000](#).

8.54 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.55 Intentionally Omitted

8.56 Intentionally Omitted

8.57 Compliance with the County Policy of Equity

The contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.58 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Agreement.

8.59 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's

regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

PREAMBLE

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals, and Performance Outcomes.

The County's vision is a value driven culture, characterized by extraordinary employee commitment to enrich lives through effective and caring service, and empower people through knowledge and information. This philosophy of service excellence is anchored in the County's shared values of: 1) Integrity, 2) Inclusivity, 3) Compassion, and 4) Customer Orientation.

These shared values are encompassed in the three Goals of the County's Strategic Plans: 1) Make Investments that Transform Lives; 2) Foster, Vibrant, and Resilient Communities; and 3) Realize Tomorrow's Government Today.

Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting partners.

PART A: PROGRAM DESCRIPTION

1.0 OVERVIEW

- 1.1 The County of Los Angeles Emergency Shelter Care (ESC) program promotes temporary emergency shelter to children under the jurisdiction of the Department of Children and Family Services (DCFS). The program serves children 0-17 years old, non-minor dependents (NMDs), 18-20 years old, and pregnant and parenting teens and their children. The Contractor provides services to ESC Children up to 14 days or less.
- 1.2 Contractor must maintain the agreed number of beds unoccupied for the selected bed placement category listed in Exhibit B, Pricing Schedule, on a 24 hours a day, 7 days a week basis. Contractor must provide a safe and caring temporary placement.
- 1.3 Contractor must reserve a bed for each ESC Child, to keep them safe and comfortable. Once the ESC Child is in the Contractor's home, the Contractor must provide for the ESC Child's basic needs.
- 1.4 Contractor must adhere to providing services described in Technical Exhibit A-8, Foster Youth Bill of Rights.

2.0 DCFS PRIORITIES FOR ESC CHILDREN

- 2.1 DCFS has established the following priorities for the children in its care: (1) Safety, (2) Permanency, and (3) Access to effective and caring services for Well-Being.
 - 2.1.1 The ESC program is a time-limited placement of up to 14 days; therefore, the Permanency factor is not measured.

THERE'S A BETTER CHOICE.
SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

1.877.222.9723  BabySafeLA.org

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.
