2.0 INTRODUCTION

- 2.1** The Los Angeles County Department of Children and Family Services (DCFS) is issuing this Request for Proposals (RFP) to solicit proposals for a Contract with an organization to support adults who will volunteer to spend their time mentoring older foster youth, ages nine to seventeen, to help them find a permanent family or a permanent connection.

California's child welfare agencies serve approximately 60,000 children, twice as many as any other state. The number of foster youth in Los Angeles County ages nine-seventeen now exceeds 11,000. In Los Angeles County, once children reach their teens, social programs turn towards helping them prepare for independent living instead of seeking either legal or relational permanency before they "age out" or are emancipated. Over 1,000 youth age out each year, but few have a connection to a caring adult who can provide them with meaningful guidance, love, and support. Emancipated youth that exit the foster care system and foster care youth without a stable adult connection are extremely vulnerable. Based on our past experiences of those who "age out" annually: approximately 53 percent will likely not finish high school; 11 percent to 38 percent will end up homeless at disproportionately higher rates than the general population, or be sentenced to jail, prison, or some type of correctional facility within two years of emancipation; and the available research suggests that roughly 50% of female foster youth are likely to become pregnant by age nineteen.

County's intent is to match the youth who are at risk of aging out of the foster care system without an adoptive family or a permanent connection, with a stable adult. This program will allow the youth to spend time with supportive adults, also known as Youth Permanency Partners (YPP), who will mentor and help them achieve legal permanency or establish a permanent connection

- 2.2** Titles, captions and headings contained in this solicitation are inserted as a matter of convenience and for reference and are not intended and must not be deemed or construed to define, limit, extend or otherwise describe the scope or any provision of this solicitation.

3.0 PURPOSE

3.1 Statement of Work (SOW)

Contractor will recruit and support YPPs who in turn will mentor and support the Youth. The goal is to help these youth in their pursuit of finding permanent families or creating permanent connections. In order to support the youth, increase the number of prospective adoptive families, and create permanent connections for the youth, the Contractor shall be expected to implement the requirements outlined in Appendix B (Statement of Work) of this RFP.

Contractor will be expected to implement the requirements outlined in Exhibit A (SOW and Attachments) of Appendix A (Sample Contract) of this RFP.

3.2 Contract: County Terms and Conditions

Contractor will be expected to implement the requirements outlined in Appendix A (Sample Contract) of this RFP.

3.2.1 Anticipated Contract Term

The contract term is anticipated to be for a period of one (1) year. The contract is anticipated to commence on July 1, 2026, or the date of execution, whichever is later. The County will have the sole option to extend for two additional one-year renewal periods. Contingent upon available funding, the term of the contract may also be extended beyond the stated expiration date for a period not to exceed six months from the last day of the contract term, if such additional time is necessary to complete the negotiation or solicitation of a new Contract. All terms of the Contract in effect at the time of any extension shall remain in effect for the duration of the extension.

3.2.2 Contract Rates

The Contractor's rates will remain firm and fixed for the term of the contract. The Maximum Annual Contract Sum is \$200,000 financed with 100 percent 2011 State Realignment funds.

3.2.3 Days of Operation

The Contractor will be required to provide the YPP services specified herein and be available to authorized County personnel during normal work hours, which generally are 8:00 A.M. to 5:00 P.M., Monday through Friday, and one Saturday per month, except County holidays, or as directed by the County Program Manager (CPM). Contractor staff must be available 24/7 to support YPPs and children in case of an emergency. Contractor must be available one Saturday each month to hold a Connection event. Connection events are interactive events, facilitated by Contractor, where Youth in need of permanency are able to engage with prospective YPP and permanent families via a Youth-centered activity where all parties are encouraged to participate. The CPM will provide a list of County Holidays to the Contractor at the time the Contract is approved, and annually, at the beginning of the calendar year.

3.2.4 Indemnification and Insurance

Contractor will be required to comply with the provisions contained in Paragraph 8.23 (Indemnification) of Appendix A (Contract). The Contractor must procure, maintain, and provide to the County proof of insurance coverage for all the programs of insurance along with

associated amounts specified in Paragraph 8.24 (General Provisions for all Insurance Coverage) and Paragraph 8.25 (Insurance Coverage) of Appendix A (Contract).

4.0 MINIMUM MANDATORY REQUIREMENTS

Interested and qualified Proposers that can demonstrate their ability and qualifications to successfully provide the required services outlined in Exhibit A (SOW and Attachments) of Appendix A (Sample Contract) are invited to submit a proposal(s), provided they meet the following minimum mandatory requirements at the time of proposal submission:

- 4.3** Proposer and its principals must not be currently debarred, suspended, proposed for debarment, or declared ineligible for the award of the contract by any Federal, State or County agency. Proposer must be found clear from County, State and Federal contractor's debarred listings, unless an exception has been authorized by State and Federal regulations.
- 4.4** Proposer must have three (3) years of experience in the last five (5) years administering a mentorship program for adults with older youth, or a program that includes finding legal and relational permanency for the Youth that includes adult volunteers working with Youth.

- 4.8** If Proposer's compliance with a County contract has been reviewed by the Department of the Auditor-Controller within the last 10 years, Proposer must not have unresolved questioned costs identified by the Auditor-Controller, in an amount over \$100,000.00, that are confirmed to be disallowed costs by the contracting County department, and remain unpaid for a period of six months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the opinion of the County.

5.0 COUNTY'S RIGHTS AND RESPONSIBILITIES

5.1 Representations Made Prior to Contract Execution

The County is not responsible for representations made by any of its officers or employees prior to the execution of the contract unless such understanding or representation is included in the contract.

5.2 Final Contract Award by the Board of Supervisors

Notwithstanding a recommendation of a department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

5.3 County's Option to Reject Proposals

Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. The County will not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

5.4 County's Right to Amend Request for Proposals

The County has the right to amend the RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

5.5 Background and Security Investigations

Contractor shall ensure that the initial and annual criminal clearances and background checks have been conducted for all Contractor's staff and volunteers, prior to beginning and continuing work under any resulting Contract (see Appendix A, Sample Contract, Section 7.5, Background and Security Investigations). The cost of such criminal clearances and background checks is the responsibility of the

Contractor whether or not the Contractor's staff passes or fails the background and criminal clearance investigations.

6.0 NOTIFICATION TO PROPOSERS

6.1 Public Records Act

- 6.1.1** Responses to this solicitation will become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when 1) contract negotiations are complete; 2) the Department receives a letter from the recommended Proposer's authorized officer that the negotiated contract is the firm offer of the recommended Proposer; and 3) the Department releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's Proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret", "Confidential", or "Proprietary".

- 6.1.2** The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential will not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective proposal which are "Trade Secrets", "Confidential", or "Proprietary", in nature.

- 6.1.3** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential", "Trade Secrets", or "Proprietary", Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

6.2 Contact with County Personnel

All contact regarding this RFP or any matter relating thereto must be in writing, and e-mailed to:

Department of Children and Family Services
Contracts Administration Division
Attention: DaSahnda Johnson
Email: YPP-RFP25-002@dcfs.lacounty.gov

If it is discovered that Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their proposal from further consideration.

6.3 Mandatory Requirement to Register on County's WebVen

Prior to a contract award, all potential Contractors must register in the County's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:

<http://camisvr.co.la.ca.us/webven/>

6.4 Protest Policy Review Process

6.4.1 Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Paragraph 6.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of the Proposer challenging the decision of a Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

6.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

6.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) are limited to the following:

6.4.3.1 Solicitation Requirements Review (referenced in Paragraph 10.1)

6.4.3.2 Disqualification Review (referenced in Paragraph 10.2)

6.4.3.3 Department's Proposed Contractor Selection Review (referenced in Paragraph 10.3)

6.4.3.4 County Independent Review (referenced in Paragraph 10.4)

6.5 Conflict of Interest

No County employee whose position in the County enables them to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, will be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer must certify that they are aware of and have read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms).

6.6 Determination of Proposer Responsibility

6.6.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible proposers.

6.6.2 Proposers are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge must not be the basis of a determination that the Proposer is not responsible.

6.6.3 The County may declare a Proposer to be non-responsible for purposes of this Contract if the Board, in its discretion, finds that the Proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

6.6.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department will notify the proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board that the Proposer be found not responsible. The Department will provide the Proposer and/or the Proposer's

representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

6.6.5 If the Proposer presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer will reside with the Board.

6.6.6 These terms will also apply to proposed Subcontractors of Proposers on County contracts.

6.7 Proposer Debarment

6.7.1 The Proposer is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity. These terms will also apply to proposed Subcontractors of Proposers on County contracts.

6.7.2 A listing of Contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: <https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

6.8 Improper Considerations

6.8.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer must not offer or give either directly

or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the contract.

6.8.2 Notification to County

A Proposer must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544 6861 or <https://fraud.lacounty.gov/>. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration.

6.8.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

6.9 County Lobbyist Ordinance

The County has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the Proposer is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

6.10 Consideration of GAIN/START Participants for Employment

6.10.1 As a threshold requirement for consideration for contract award, Proposers must demonstrate a proven record of hiring participants in the County's [Department of Public Social Services Greater Avenues for Independence \(GAIN\) or Skills and Training to Achieve Readiness for Tomorrow \(START\) Programs](#) or must attest to a willingness to consider GAIN/START participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers must attest to a willingness to provide employed GAIN/START participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

- 6.10.2** Proposers who are unable to meet this requirement will not be considered for contract award. Proposers must submit a completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), along with their proposal.

6.11 Jury Service Program

- 6.11.1** The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective Contractors should carefully review Paragraph 8.8 (Compliance with the County's Jury Service Program) of Appendix A (Contract), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 6.11.2** Contractor must certify compliance with County's Contractor Employee Jury Service Ordinance in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms). If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

6.12 Pending Acquisitions/Mergers by Proposing Company

The Proposer must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided by the Proposer in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms). Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. Proposer will have a continuing obligation to notify the County and update any changes to its response in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms) during the solicitation.

6.13 Charitable Contributions Compliance`

- 6.13.1** California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read Appendix D (Background and Resources: California Charities Regulation). These rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. The Nonprofit Integrity Act contains substantive requirements affecting executive compensation, fund-raising practices and documentation. Charities with over two million dollars (\$2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) also have specific audit requirements.
- 6.13.2** All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). A completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) is a required part of any agreement with the County.
- 6.13.3** Prospective County Contractors that do not complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. ([County Code Chapter 2.202](#)).

6.14 Defaulted Property Tax Reduction Program

- 6.14.1** The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), ([Los Angeles County Code, Chapter 2.206](#)). Prospective Contractors should reference the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Deduction Program) of Appendix A (Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.
- 6.14.2** Proposers will be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain

compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor ([Los Angeles County Code, Chapter 2.202](#)).

- 6.14.3** Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

6.15 County's Commitment to Zero Tolerance Policy on Human Trafficking

- 6.15.1** On October 4, 2016, the County approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits Contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.

- 6.15.2** Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix A (Contract). Further, Contractors are required to comply with the requirements under said provision for the term of any contract awarded pursuant to this solicitation.

6.16 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

- 6.16.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County must be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

- 6.16.2** Upon contract award or at the request of the A-C and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

- 6.16.3** Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

6.16.4 Upon contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

6.17 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

6.17.1 On May 29, 2018, the County approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code [Section 12952](#).

6.17.2 Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they, and their subcontractors, are in full compliance with [Section 12952](#), as indicated in the Contract. Further, Contractors are required to comply with the requirements under [Section 12952](#) for the term of any contract awarded pursuant to this solicitation.

6.18 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract. ([Los Angeles County Code, Chapter 2.202](#)).

6.19 Community Business Enterprise (CBE) Participation

The County has adopted a Community Business Enterprise (CBE) Program, which includes business enterprises certified as disadvantaged business enterprises disabled veteran-owned, minority-owned, women-owned, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business types. The County has established a collective 25% participation goal for CBE certified firms, calculated on the eligible procurement dollars. The program maintains data on the types of businesses registered as CBEs and their utilization. The Proposer's CBE participation must be reflected in Exhibit 5 (Community Business Enterprise (CBE) Information) form in Appendix B (Required Forms).

All Proposers must document efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this Contract. The Proposer must make documents related to these efforts available to the County upon request.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Proposer's ability to provide the best service and value to the County.

To obtain a list of the County's CBE certified firms, e-mail the request to the County of Los Angeles Department of Economic Opportunity at CBESBE@opportunity.lacounty.gov with the subject "**Request for CBE Listing.**"

For additional information contact the Office of Small Business at: (844) 432-4900 or at OSB@opportunity.lacounty.gov.

6.20 Contribution and Agent Declaration

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$250 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Proposers are advised that they and all of their Subcontractors must complete and return as part of the proposal, the Contribution and Agent Declaration included in Exhibit 9 (Contribution and Agent Declaration Form) of Appendix B (Required Forms). Proposers are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the pendency of the solicitation if a contribution is made after the initial disclosure when the proposal is submitted, and as requested at any time by the County prior to contract award. Failure by the Proposer or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 9, and failure by the Proposer or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the proposal from further consideration and/or the Proposer may be disqualified from a contract award, as determined in the County's sole discretion. Further, all Proposers and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$250 to a County officer for twelve (12) months after the date a final decision is made in the contract proceeding involving this solicitation.

7.0 COUNTY'S PREFERENCE PROGRAMS

7.1 Overview of County's Preference Programs

7.1.1 The County has three preference programs: the Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). The Board encourages business participation in the County's contracting process by continually streamlining and

7.1.2 The Preference Programs (LSBE, DVBE, and SE) require that a business complete certification prior to requesting a preference in a solicitation. This program and how to obtain certification are further explained in Paragraphs 7.2, 7.3, and 7.4 of this solicitation. Additional information on the County's preference programs is also available on the Department of Consumer and Business Affairs' (DCBA) website at: <http://dcba.lacounty.gov>.

7.1.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified LSBE, DVBE, or SE when not qualified.

However, Proposers are provided the opportunity to take exceptions to the County's terms, conditions, and requirements. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Costs that are estimated or assumed must include a brief explanation of the underlying basis of the estimates or assumptions. County has obligation to engage in cost effective undertakings to achieve potential savings.

All Proposers' Cost Proposals will be evaluated by subject matter experts separately from the Business Proposals. The score of the Cost Proposal will then be combined with the score of the Business Proposal to determine the overall score and ranking of each proposal submission.

Cost proposal prices must be firm and fixed for the YPP during the term of the contract. There will no cost-of-living adjustments during the term of the contract.

8.5.6 Evaluation of Cost

The maximum number of possible points will be awarded to the lowest cost proposal. All other proposals will be compared to the lowest cost and points awarded accordingly.

Evaluation of the Line Item Budget and Budget Narrative will be conducted to ensure computations are correct and explanations/descriptions of cost demonstrate how the Proposer will fulfill the requirements of the Contract.

8.5.6.1 The number of points assigned to the evaluation of the Cost Proposal will be determined based on the total proposed annual cost on Exhibit 13 (Price Sheet) in Appendix B (Required Forms).

8.5.6.2 Instructions for completing Exhibit 13 (Cost Proposal) are as follows:

- 1) A Cost Proposal must be submitted for services that are being proposed.

Fifteen percent (15%) of the lowest cost proposed will be calculated, not to exceed \$150,000, and that amount will be deducted from the cost submitted by all Proposers who requested and were granted the preference.

In no case will any preference be combined to exceed fifteen percent (15%) of the lowest responsible bid meeting specifications.

8.6 Firm Offer-Withdrawal of Proposal

Until the proposal submission deadline, errors in proposals may be corrected by a request in writing to withdraw the proposal and by submission of another set of proposals with the mistakes corrected. Corrections will not be accepted once the deadline for submission of proposals has passed.

9.0 SELECTION PROCESS OVERVIEW

9.1 Adherence to Minimum Mandatory Requirements (Pass-Fail)

County will review Exhibit 1 (Organization Questionnaire/Affidavit), Exhibit 6 (Minimum Mandatory Requirements), Exhibit 7 (List of Public Entities), and Exhibit 8 (List of References), in Appendix B (Required Forms) to determine if the Proposer meets the Minimum Mandatory Requirements as outlined in Paragraph 4.0 (Minimum Mandatory Requirements) of this RFP.

Failure of the Proposer to comply with the Minimum Mandatory Requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

9.2 Selection Process

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposal on the date outlined in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements).

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described in this RFP to select a prospective Contractor.

Evaluation of Business and Cost Proposals

All proposals will be evaluated based on the criteria listed in Paragraph 8.0 (Business Proposal Requirements and Evaluation) and will be scored and ranked in numerical sequence from high to low.

Determination of Highest-Overall Rated Proposer

The County will combine each Proposer's business and cost proposal evaluation score to arrive at a total cumulative (or "final") score, which will be used to determine and select the highest-overall rated Proposer.

After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a contract for submission to the Board for its consideration and possible approval. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a contract will not bind the Board to award a contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

10.0 PROTEST PROCESS OVERVIEW

10.1 Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Solicitation Requirements Review (SRR) Request) to the Department conducting the solicitation. A request for a SRR may be denied, in the Department's sole discretion, if the request does not satisfy all the following criteria:

- 10.1.1** The request is made within the time frame identified in the solicitation document. For this RFP, the SRR is due by 5:00 PM (Pacific Standard Time) on November 3, 2025
- 10.1.2** The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a proposal.
- 10.1.3** The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- 10.1.4** The request asserts either that:
 - 10.1.4.1** Application of the Minimum Mandatory Requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - 10.1.4.2** Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.

The SRR will be completed, and the Department's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

10.2 Disqualification Review

A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department will notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 10.2.1** The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- 10.2.2** The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed, and the determination will be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for Paragraph 6.6 (Determination of Proposer Responsibility).

10.3 Department's Proposed Contractor Selection Review

10.3.1 Departmental Debriefing Process

Upon completion of the evaluation, the Department will notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer will be debriefed only on its response. Because contract negotiations are not yet complete, responses from other

Proposers will not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Paragraph 10.3.2 Proposed Contractor Selection Review), if the requesting Proposer is not satisfied with the results of the Debriefing.

10.3.2 Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this Paragraph may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as will be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

10.3.2.1 The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);

10.3.2.2 The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

- 1)** The Department materially failed to follow procedures specified in its solicitation document. This includes:
 - Failure to correctly apply the standards for reviewing the proposal format requirements.
 - Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
 - Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
- 2)** The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended Contractor.

- 3) A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
- 4) Another basis for review as provided by state or federal law; and

10.3.2.3 The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative will issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision will additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review (See Paragraph 10.4 (County Independent Review) below).

10.4 County Independent Review

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 10.4.1** The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
- 10.4.2** The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in Paragraph 10.3.2 (Proposed Contractor Selection Review) above.

Upon completion of the County Independent Review, Internal Services Department will forward the report to the Department, which will provide a copy to the Proposer.

- 5.6.4** At any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be removed immediately from performing services under the Contract. Contractor must comply with County's request at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

7.5.2 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

7.5.3 These terms will also apply to subcontractors of County contractors.

7.5.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

7.6 Confidentiality

7.6.1 Contractor must maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

Contractor will cause each non-employee performing services covered by this Contract to sign and adhere to the provisions of Exhibit E3 (Contractor Non-Employee Acknowledgment and Confidentiality Agreement).

8.0 STANDARD TERMS AND CONDITIONS

8.1 Amendments

- 8.1.1** For any change which affects the scope of work, contract term, contract sum, payments, or any term or condition included under this Contract, an amendment to the Contract must be prepared and executed by the Contractor and by DCFS Director or their designee.
- 8.1.2** The County's Board or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the

Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the County's Board or Chief Executive Officer. To implement an extension of time, an Amendment to the Contract must be prepared and executed by the Contractor and by DCFS Director or their designee.

8.2 Assignment and Delegation/Mergers or Acquisitions

- 8.2.1** The Contractor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.
- 8.2.2** The Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.3** Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

In the event that the County's Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract will also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Contract.

8.5 Complaints

The Contractor must develop and maintain operating procedures for receiving, investigating and responding to complaints.

- Copies of all written responses must be sent to the County's Project Manager within three (3) business days of mailing to the complainant.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Additionally, Contractor certifies to the County:

- 8.7.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 8.7.2 That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- 8.7.3 That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- 8.7.4 Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term,

temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the Contract.

- If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.
- Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any

facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN/START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the

performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms will also apply to subcontractors of County contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit F (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the

subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

- 8.16.2** If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

- 8.17.1** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.
- 8.17.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal

Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

- 8.22.2** The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.
- 8.22.3** The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.
- 8.22.4** The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must

be delivered to County at the address shown below and provided prior to commencing services under this Contract.

- Renewal Certificates must be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.
- Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate must match the name of the contractor identified as the contracting party in this Contract. Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Department of Children and Family Services
Contracts Administration Division
contractorinsurance@dcfs.lacounty.gov

Attention: DaSahnda Johnson, Contract Analyst

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third-party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status will apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

YOUTH PERMANENCY PARTNERS SERVICES

STATEMENT OF WORK

SECTION A

1.0 PREAMBLE

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals and Performance Outcomes.

The County's vision is to improve the quality of life in the County by providing responsive, efficient and high-quality public services that promote the self-sufficiency, well-being and financial security of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the County's shared values of: 1) Accountability, 2) A Can-Do-Attitude, 3) Compassion, 4) Customer Orientation, 5) Integrity, 6) Leadership, 7) Professionalism, 8) Respect for Diversity, and 9) Responsiveness.

These shared values are encompassed in the County's Strategic Plan's three Goals: 1) Operational Effectiveness/Fiscal Sustainability, 2) Community Support and Responsiveness, and 3) Integrated Services Delivery. Improving the well-being of children and families requires coordination, collaboration and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting agencies.

SECTION B – PROJECT FOUNDATION

2.0 BACKGROUND

California's child welfare agencies serve 60,000 children, twice as many as any other state. More than 60 percent of California's Foster Youth (34,766) are in Los Angeles County with nearly half living in out-of-home care. The number of Foster Youth in Los Angeles County ages 9-17 now exceeds 11,000. In Los Angeles County, once children reach their teens, social programs turn towards helping them prepare for independent living instead of seeking either legal or relational permanency before they "age out" or are emancipated. Over 1,000 Youth age out each year, but few have a connection to a caring adult who can provide them with meaningful guidance, love, and support.

Emancipated Youth that exit the foster care system and foster care Youth without a stable adult connection are extremely vulnerable. Based on our past experiences

of those who “age out” annually: approximately 45 percent will likely not finish high school; 40 percent will likely spend early adulthood on welfare; 25 percent will likely become homeless or be sentenced to jail, prison, or some type of correctional facility within two years of emancipation; and 50 percent of all female foster youth will likely become pregnant by age 19.

In order to increase the number of prospective adoptive families and create permanent connections for Older Foster Youth, the Department of Children and Family Services (DCFS) needs an agency or organization to recruit, train, and support adults who will volunteer to spend their time on weekends mentoring Older Foster Youth to help them find a permanent family or lasting connection. These adults shall be recruited from the local community to be Youth Permanency Partners (YPP). The agency or organization will also need to host events and help facilitate matches between adults and Youth.

GENERAL INSTRUCTIONS FOR COMPLETING YOUR BUDGET NARRATIVE

(See SAMPLE Budget Narrative Below)

All proposals must have a narrative attached to the budget providing a thorough and clear explanation of all projected line item budget costs. The narrative must follow the same sequence as the line item budget, and include an explanation of the method of allocating costs for any joint or shared budget item. All figures and compilations must be clearly explained.

GENERAL INSTRUCTIONS:

The budget is comprised of both Budget Categories and Budget Line Items.

Budget Categories are the major classifications of expense shown on the Sample Line Item Budget Sheet: Payroll, Employee Benefits, Insurance, Indirect Cost, etc.

Budget Line Items are the individual cost items within each budget category. For example, budget line items within the Payroll category are the individual positions to be funded under this Contract.

The budget narrative must provide clear and complete descriptions that: (1) explain the purpose of each budget line item; (2) how the line item is directly connected to the provision of a given service; (3) the dollar amount requested for the item; and (4) the methodology used to calculate the amount, etc. For example:

<u>BUDGET AMOUNT</u>	<u>DESCRIPTION</u>
\$12,000	Contractor's Program Manager: This position will provide administrative supervision to the Program staff on this Contract and will be responsible for administering the Contract in accordance with the Statement of Work. The total amount requested for this line item is \$12,000 (\$2,500/mo x .40 x 12 months).

The methodology in the above example is calculated by multiplying each item, from left to right, as follows:

Monthly Salary (Total Monthly Salary for this Position)	Percent of Time (Allocated to Work on this Contract)	Number of Months (Allocated to Work on this Contract)
\$2,500	40%	12

The Budget Narrative must include all of the proposed budget line items within that budget category. For example, the narrative for "Payroll" or "Salaries" must include a description of each position to be funded under the contract. Use the same budget categories from your actual "Line Item Budget" in writing the narrative.

THERE'S A BETTER CHOICE. SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

BabySafeLA.org

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of the Auditor-Controller Contract Accounting and Administration Handbook (Handbook) is to provide organizations (CONTRACTORS) that contract with the County of Los Angeles (COUNTY) with guidance on key accounting, financial reporting, internal control, and contract administration standards, along with best practices and recommended approaches that will help to promote accountability, protect the integrity of assets and financial information, and minimize the risk of fraud.

The accounting, financial reporting, and internal control standards presented in this Handbook are fundamental and derived from applicable federal, State, and COUNTY regulations and guidelines (see [Section F](#)). These standards are not intended to be all inclusive or replace acceptable existing procedures, preclude the use of more sophisticated methods, or supersede any laws or requirements imposed by the applicable funding source(s) (i.e., federal, State, and COUNTY agencies) that may be more restrictive and/or stringent. Instead, this Handbook includes the minimum federal, State, and COUNTY required procedures and controls that must be incorporated into a CONTRACTOR'S accounting and financial reporting system to ensure compliance, as well as guidance on other recommended procedures and controls. The internal control standards described apply to organizations with adequate staffing. Organizations with insufficient staff to implement the internal controls as described herein must adopt alternative controls (e.g., use of appropriate alternative staff and/or board members) to comply with the intent of the standards to ensure effective internal control systems are in place within the organization. The CONTRACTOR'S subcontractors must also follow these standards unless otherwise stated in the COUNTY Agreement.

For additional resources, please see [Section F](#), and for any inquiries, please see [Section G](#).

A. ACCOUNTING AND FINANCIAL RECORDS

1.0 Basis of Accounting

Unless otherwise specified by the applicable funding source(s), CONTRACTORS may elect to use either the accrual or cash basis of accounting during the year for recording financial transactions. CONTRACTOR must ensure their basis of accounting is adequately documented in their accounting policies. Monthly invoices must be prepared on the same basis used for recording financial transactions.

The COUNTY generally recommends the use of the accrual basis for recording financial transactions when appropriate.

1.1 Accrual Basis

Under the accrual basis for recording financial transactions, revenues are recorded in the accounting period earned (rather than when cash is received). Expenditures

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

are recorded in the accounting period incurred (rather than when cash is disbursed).

Recorded accruals (e.g., to estimate expenditures) should be reversed in the subsequent accounting period or when deemed appropriate and/or necessary to ensure revenues and expenditures are not double counted, and are in compliance with Generally Accepted Accounting Principles (GAAP).

1.2 Cash Basis

If a CONTRACTOR elects to use the cash basis for recording financial transactions during the year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of each year of the COUNTY Agreement, and at the end of the COUNTY Agreement.
- All computations, supporting records, and explanatory notes used in converting from the cash basis to the accrual basis must be retained.

1.3 Prepaid Expenditures

Prepaid expenditures (e.g., insurance, service agreements, lease agreements) must be expensed during the appropriate COUNTY Agreement year to the extent goods and services are received, or are applicable to that COUNTY Agreement year.

2.0 Accounting System

Each CONTRACTOR must maintain a ***double entry accounting system*** (utilizing debits and credits) and adequate, accurate, and reliable financial records in accordance with GAAP. The financial records must provide a comprehensive audit trail, and typically include, but may not be limited to a General Journal, a Cash Receipts Journal, a General Ledger, a Cash Disbursements Journal, and a Payroll Register or equivalent records as described in this Handbook. Postings to the General Ledger and Journals must be made timely, at least on a monthly basis. The CONTRACTOR must maintain separate cost centers, which clearly identify funds received and expended on services provided under the COUNTY Agreement.

2.1 General Journal

A General Journal (or equivalent records) must be maintained to ensure transactions are recorded accurately and timely in the order they occur, and for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal (or their equivalent records). Entries in the General

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Journal (or equivalent record) must be adequately documented and entered in chronological order with sufficient explanatory notations to support the transaction.

Example:

	<u>Debit</u>	<u>Credit</u>
Rent Expenditure	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal (or equivalent records) must be maintained for recording and identifying all cash inflows and sources of income (e.g., COUNTY warrants, contributions, interest income), and should, at a minimum, contain the following information:

- Date
- Invoice, Reference and/or Receipt Number (if applicable)
- Amount of Cash or Income Received
- Names of Accounts Debited (e.g., Cash) and Credited (e.g., Income) for the following:
 - COUNTY payments
 - Contributions/Donations
 - Other Income (e.g., grants, sales of supplies/services, rental income, miscellaneous revenue, fees)
- Description to clearly specify the source of cash receipts

2.3 Cash Disbursements Journal

A Cash Disbursements Journal (or equivalent records) must be maintained for recording all cash outflows or disbursements (e.g., rent, utilities, maintenance) to manage and track outgoing funds, and should, at a minimum, contain the following information:

- Date
- Invoice, Reference, and/or Check Number (if applicable)
- Amount of Cash Disbursed
- Names of Accounts Debited or Credited
- Payment Method (e.g., cash, check, electronic transfer)
- Description to clearly specify the nature of the cost and the corresponding cost classification, if not included in the column heading.

Checks should not be written to employees (other than payroll, reimbursements for small incidental out-of-pocket costs, mileage reimbursements, travel reimbursements, and petty cash fund custodian checks).

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

A ***Check Register*** may be substituted for the Cash Disbursements Journal (or equivalent records), but this is not recommended. If used, the Check Register (or equivalent records) must contain the same cost classifications and description information required when a Cash Disbursements Journal (or equivalent records) is used.

2.4 General Ledger

A General Ledger (or equivalent records) must be maintained with accounts for all assets, liabilities, fund balances/net assets, revenues, and expenditures to ensure the accuracy, consistency, and transparency of all financial transactions in accordance with GAAP. Separate accounts or cost centers must be maintained for the revenues (e.g., donations, grants, rental income, miscellaneous revenue) and expenditures of each of the CONTRACTOR'S programs and activities (both COUNTY and non-COUNTY).

2.5 Chart of Accounts

A Chart of Accounts (or equivalent records) must be maintained to organize and classify financial transactions accurately and consistently in accordance with GAAP:

- The COUNTY recommends that CONTRACTORS use the same expenditure account titles on the monthly invoice submitted to the COUNTY.
- If the CONTRACTOR uses account titles which differ from the account titles on the monthly invoice, each account title should clearly identify the nature of the transaction(s) posted to the account.
- CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenditures for travel can be posted to an account titled "travel," but must not be intermixed with other expenditure accounts.

2.6 Payroll Register

A Payroll Register (or equivalent records) must be maintained to manage payroll activities, detail the necessary payroll information, and ensure payroll transactions and payments are accurate. The Payroll Register (or equivalent records) should contain the following information for each employee:

- Name
- Position
- Unique code identifying each employee (e.g., employee number/ID)
- Salary or hourly wage
- Payment Record including:

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

- Accrual Period
- Gross Pay
- Itemized Payroll Deductions
- Net Pay Amount
- Check/Payment Number

CONTRACTOR must ensure compliance with:

- All applicable federal and State requirements for withholding payroll taxes (e.g., FIT, FICA, FUTA, SIT, SIU), reporting, filing (e.g., 941, DE-7, W-2, W-4, 1099), and all applicable tax deposits.
- Internal Revenue Service and State guidelines to properly classify employees and independent contractors.

3.0 Information and Supporting Documentation Requirements

CONTRACTOR must retain the original source document for inspection by COUNTY. All revenues and expenditures charged to the COUNTY must be supported by original vouchers, invoices, receipts, or other documentation to clearly establish the nature and the reasonableness of the expenditure and its relevance to the COUNTY program, and evidence of actual payment (e.g., canceled checks, proof of electronic funds transfer). Internally generated documents (e.g., vouchers, request for check forms, requisitions), and bank and credit card account statements alone do not constitute supporting documentation for revenues and expenditures.

If the CONTRACTOR is unclear as to the appropriate documentation that must be maintained to support an expenditure, CONTRACTOR should consult with the COUNTY **before** the expenditure is charged to the COUNTY. Unsupported or inadequately supported expenditures will be disallowed upon audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs.

Electronic documentation is permitted when the source documentation originated electronically (e.g., electronic bills and bank statements). To the extent the source for electronic documentation is an original hardcopy document (e.g., PDF scans of original vendor invoices), COUNTY at its sole discretion may accept photocopies (including scanned images) of supporting documentation in preference to the original documents subject to any limitations imposed by the applicable funding source(s) (i.e., federal, State, and COUNTY agencies), and if the CONTRACTOR maintains adequate internal controls over their information technology systems and data (e.g., electronically stored information, records, or documentation) as required by the standards described in this Handbook (e.g., see [Sections A.3.5](#) and [B.7.0](#) through [B.7.3](#)) and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement). Failure to provide original hardcopy documents and/or maintain an adequate system of

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

internal controls over electronic documentation to support expenditures charged to the COUNTY will result in inadequately supported expenditures and will be disallowed upon audit.

For the following categories of expenditures, adequate supporting documentation may include, but not be limited to:

Payroll

- Timecards and attendance records signed and dated by the employee and the employee's supervisor (in ink or electronically) certifying the accuracy and approval of the reported time.
- Time distribution records by program, accounting for total work time on a daily basis for each employee.
- Records showing actual expenditures for payroll, Social Security and unemployment insurance.
- State and federal quarterly tax returns, federal W-2 forms, federal W-4 forms, and any other records to support payroll tax payments.

Personnel Files

- Documentation supporting approved employee pay rates.
- Proof of employees having the required education, practical experience, and license(s)/certification(s) for their position.
- Criminal record clearances as required.

Contracted/Consultant Services

- Contracts detailing the nature and scope of services to be provided, and the method and rate of compensation (e.g., cost reimbursement, fixed fee, fee for service, rate per hour) for each service.
- Itemized invoices or other documentation detailing specific service(s) provided and rate(s) of compensation applied to support total amounts charged.
- Time and attendance records or other documentation detailing when services were provided.
- Travel vouchers detailing purpose, time, and location of travel reimbursed by CONTRACTOR.
- Purchase orders, itemized invoices, and proof of receipt of good/services for amount reimbursed by CONTRACTOR.
- Copies of all completed federal Form 1099s, establishing that all payments to contractors/consultants were reported timely to federal and State taxing agencies.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Payments to Affiliated Organizations or Persons (i.e., Related Party/Less-Than-Arm's-Length Transactions)

- Financial records (e.g., general ledgers, payroll registers, labor distributions, invoices/receipts) of the affiliated or related organizations/persons
- Price and rate quotations for the same services/goods from an adequate number of independent and qualified sources
- Cost and price analysis
- Vendor selection analysis
- Other documentation to support payments to affiliated organizations or persons did not exceed the lesser of actual costs of the affiliated or related organizations/persons or the reasonable costs for services rendered or items purchased (see [Section C.1.2](#) for additional guidance)

Loans (including, but not limited to, loans to the CONTRACTOR from employees and/or related parties)

- Written loan agreement approved by the CONTRACTOR'S board of directors.
- Documentation showing that loaned funds were deposited into a CONTRACTOR bank account.
- Documentation showing that loan proceeds were actually used for COUNTY programs.

To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expenditure under the Agreement. If the payment of interest is allowable, interest must not be accrued at a rate which exceeds the COUNTY Treasury Rate plus one percent.

Travel

- Travel policies (written) of the CONTRACTOR
- Travel expenditure vouchers
- For travel related to conferences, meetings, seminars, symposiums, workshops, and other similar events, CONTRACTOR must at a minimum, retain literature, such as agendas and handouts, or other documentation detailing the purpose of the event, as part of the CONTRACTOR'S documentation of the propriety of the travel expenditure
- Itemized receipts for all travel expenditures (e.g., lodging for approved out-of-town travel, airfare, car rentals, meals, ground transportation, parking).

Note: Reimbursement for actual receipts or per diem rates for lodging and meal expenditures must not exceed the COUNTY'S maximum reimbursement rate for employees. CONTRACTOR should obtain the COUNTY'S maximum reimbursement rate for each fiscal year from the COUNTY before travel expenditures are charged.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Vehicle Expenditures

- Invoices/receipts for repairs, maintenance, fuel, etc.
- Vehicle registration card
- Vehicle title
- Insurance policy
- Purchase or financing agreement
- Vehicle lease or rental agreement
- For vehicles owned/leased by the CONTRACTOR and personal vehicles that are primarily used for business purposes, a vehicle mileage log (or equivalent record) must be maintained establishing the extent to which the vehicles are used for business versus non-business purposes. The mileage log (or equivalent record) must identify:
 - Trip dates
 - Origin and destination addresses of the trip
 - Purpose of the trip and how it relates to the Agreement services
 - Beginning and ending odometer readings and the resulting mileage for all trips (including non-business trips) to account for 100% use of the vehicle
- For personal vehicles that are not primarily used for business purposes, documentation to support reimbursements to employees for mileage and parking must include:
 - Date and time of travel
 - Origin and destination addresses of the trip and the resulting mileage
 - Purpose of the trip and how it relates to the Agreement services
 - Rates claimed (**Note:** Reimbursement rates for mileage must not exceed applicable federal guidelines.)
 - Itemized receipts for reimbursed parking and toll charges

All supporting documentation must include sufficient information to identify the vehicle the expenditures are related to, which should include, but not be limited to, vehicle make and model, vehicle license number, and vehicle identification number.

CONTRACTOR must only charge the COUNTY for vehicle expenditures (e.g., gasoline, repairs/maintenance, insurance, depreciation) to provide COUNTY Agreement services. CONTRACTOR must pro-rate vehicle expenditures based on vehicle usage to exclude the portion of expenditures related to non-COUNTY and non-business use (i.e., non-COUNTY program services, personal use, employee transportation to and from work).

Operating Expenditures (e.g., utilities, office supplies, equipment rentals)

- Bona fide contracts or lease agreements, if applicable
- Invoices and receipts detailing the cost and items purchased
- Documentation acknowledging the receipt of purchased goods and services (e.g., itemized delivery confirmations, stock received reports, packing slips, or

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

other documentation) signed by the employee(s) who verified the good/services were approved and received

Outside Meals

- Itemized receipts and/or invoices for all meals
- Documentation detailing the nature and business purpose of each meal
- Documentation identifying the participants of each meal

3.1 Filing

All relevant supporting documentation for reported revenues and program expenditures must be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks/Payments – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

3.2 Referencing

Accounting transactions posted to the CONTRACTOR'S books must be appropriately cross-referenced to supporting documentation. When applicable, it is recommended that expenditure transactions on the CONTRACTOR'S books be cross-referenced to the supporting documentation as follows:

- Invoices – Vendor name and date
- Checks – Number
- Vouchers – Number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the evidence of actual payment (e.g., corresponding check issued for payment, bank statement). If multiple invoices are paid with one check or transaction, all related invoices should be cross-referenced to the evidence of actual payment.

3.3 Security Over Documentation

Adequate care must be exercised to safeguard the financial records, including accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR'S financial records must be immediately reported to the COUNTY. CONTRACTOR must report, to the local law enforcement agency having jurisdiction, any act(s), which may reasonably constitute a crime and appear to have resulted in the destruction, damage, or alteration of any record subject to the

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

provisions of this Handbook. CONTRACTOR must make their report to the local law enforcement agency within twenty-four hours of becoming aware of the acts which resulted in the destruction, damage, or alteration of the record.

A copy of the resulting crime/incident report must be retained by the CONTRACTOR for the same period of time the underlying records that were destroyed/damaged were required to be retained (see [Section A.3.4](#)), and must be retained for a longer period in the case of unresolved litigation or audit.

3.4 Retention

All financial records, including accounting records (e.g., journals, ledgers) and supporting documentation, must be retained for a minimum of three years after the termination of the CONTRACTOR'S Agreement or the date of submission of the final invoice, billing, or expenditure report, unless a longer retention period is prescribed by the Agreement or applicable laws and regulations, in which case the CONTRACTOR must comply with the longer retention period and all other retention requirements set forth in the Agreement or the applicable laws and regulations.

3.5 Protection of Electronically Stored Information

CONTRACTOR must employ sufficient security measures to safeguard all COUNTY non-public information (e.g., confidential information including, but not limited to, the names and addresses of individuals, Social Security numbers, credit card information) that is electronically stored and used. CONTRACTOR is also responsible for the security of any COUNTY non-public information that is transmitted, exchanged, or shared with other authorized individuals and/or organizations including, but not limited to, third-party vendors/providers, subcontractors, contractors/consultants, or other external parties.

Information security and privacy safeguards (e.g., policies, access restrictions, employee background checks, training programs, cyber liability insurance, encryption) and standards must be developed, implemented, and maintained in accordance with applicable standards described in this Handbook (e.g., see [Sections B.7.0](#) through [B.7.3](#)), the [COUNTY Board of Supervisors \(Board\) Policy 5.200](#), and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement, applicable sections of the [Board Policy Manual](#)).

4.0 Donations and Other Sources of Revenue

For CONTRACTORS that use donations and/or other sources of revenue (e.g., grants, sales of supplies/services, rental income, miscellaneous revenue, fees) to pay for expenditures related to a COUNTY service, the CONTRACTOR must maintain accounting and other financial records that clearly identify the specific expenditures that were paid for with the other source(s) of revenue. Restricted donations and other sources of revenue, earmarked specifically for the

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

COUNTY program, must be utilized on allowable COUNTY Agreement expenditures. Similarly, income from investments (e.g., interest, dividends), where the source of the amount invested is COUNTY program funds, must be deemed restricted revenue that must be utilized on allowable COUNTY program expenditures, or returned to the COUNTY as specified under the COUNTY Agreement.

5.0 Audits

For routine audits and inspections, CONTRACTOR will make available to COUNTY representatives, upon request, during working hours, during the duration of the COUNTY Agreement and for a period of three years thereafter (unless a longer period is specified under the Agreement, or by applicable laws and regulations), all of its books and records, including, but not limited to, those which relate to its operation of each project or business activity, which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records must be made available upon request at a location within or near Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, COUNTY retains the right to inspect and conduct investigations of CONTRACTOR'S program/fiscal operations and compliance with the COUNTY Agreement at any time, without prior notice to CONTRACTOR seven days a week, when the COUNTY has information which it, in its sole discretion, justifies such an unannounced visit, inspection, audit or investigation.

6.0 Single Audit Requirements

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) "[Audit Requirements](#)" requires organizations that expend the applicable threshold (e.g., \$750,000 (prior to October 1, 2024), \$1,000,000) or more in federal awards during their fiscal year (including pass-through awards) to have a single audit conducted in accordance with Generally Accepted Government Auditing Standards for that year. Additional details regarding single audit requirements are included in [Uniform Guidance](#).

A copy of any single audit report must be filed with the COUNTY upon request or within the timeframes prescribed by the COUNTY Agreement, or any extended timeframes granted by the federal Office of Management and Budget (OMB).

7.0 Unique Entity Identifier and System for Award Management Requirements

Title 2 United States Code of Federal Regulations "[Unique Entity Identifier and System for Award Management](#)" requires organizations receiving federal funds to have a "Unique Entity Identifier (UEI)" and register with the System for Award Management (SAM.gov), unless exempted by federal statute. CONTRACTOR

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

must maintain documentation to demonstrate they have a current and active UEI and registration in SAM.gov, if applicable. Additional details regarding UEI requirements are included in the [Electronic Code of Federal Regulations \(eCFR\)](#) and [SAM.gov](#).

B. INTERNAL CONTROLS

1.0 Internal Controls Overview

Internal controls are processes designed to provide reasonable assurance regarding the achievement of the CONTRACTOR'S objectives relating to operations, reporting, and compliance, and should safeguard the CONTRACTOR'S assets from misappropriations and misuse. Each CONTRACTOR must prepare necessary written procedures establishing internal controls for its personnel's use. The CONTRACTOR must instruct all personnel in these procedures and continuously monitor operations to ensure compliance with their own policies and procedures, and any other applicable funding source requirements (e.g., [Uniform Guidance](#)).

2.0 Cash and Revenues

Cash or cash equivalents (e.g., checks, money orders, other liquid assets such as prepaid/EBT/gift cards) and revenue must be adequately monitored to ensure they are properly accounted for, safeguarded, and accurately reported.

2.1 Separate Fund or Cost Center

All COUNTY Agreement revenues must be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable in the accounting records through the use of cost centers or separate accounts.

2.2 Manual Deposits

When cash or cash equivalents are received by mail, two employees should be assigned to open the mail and list all collections received on a receipts/check remittance log.

All COUNTY checks should be restrictively endorsed upon receipt.

Cash and cash equivalents received should be recorded on pre-numbered receipts and the receipts/check remittance log should be reconciled to the amount being deposited.

Voided receipts must be retained and the sequence of receipts issued/voided must be periodically accounted for.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Cash and cash equivalents totaling \$500 or more must be deposited within one day of receipt, or as soon as reasonably possible. Collections of less than \$500 may be held and must be secured and deposited weekly or when the total reaches \$500, whichever occurs first. If CONTRACTOR can establish that a larger limit is warranted, CONTRACTOR may request authorization from COUNTY to increase the limit to an amount greater than \$500.

Deposit slips should be retained in an organized manner, and must contain sufficient reference information for comparison to the Cash Receipts Journal (or equivalent records) and individual receipts, if applicable. A recommended best practice is to retain a photocopy of the deposit slip and the COUNTY warrants reflected on each deposit slip, or record the individual warrant numbers on the deposit slip.

2.3 Separation of Duties Over Deposits and Cash

Employees' duties must be separated to ensure that one individual does not control all key aspects (e.g., receiving, receipting, depositing, disbursing, reconciling, recording) of a transaction. For example, an employee who does not handle cash or cash equivalents should record all receipts in the CONTRACTOR'S accounting records.

2.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling or check writing/preparation responsibilities. The person reconciling the bank account(s) should receive the bank statement(s) directly from the bank.

Monthly bank reconciliations should be prepared and reviewed by management for appropriateness and accuracy within 30 days of the bank statement date. The bank reconciliations should be signed and dated by both the preparer and the reviewer. See [Exhibit A](#) for a suggested bank reconciliation format.

Reconciling items should be reviewed, researched, and resolved immediately. If an item cannot be resolved within the next bank statement period, the CONTRACTOR should monitor the reconciling item to ensure the reconciling item is resolved timely.

2.5 Bonding

All officers, employees, and contractors who handle cash or have access to the CONTRACTOR'S funds (e.g., prepare checks) must be bonded.

3.0 Disbursements

All disbursements (other than those made for petty cash purchases), must be made using a CONTRACTOR check, electronic funds transfer, or debit/credit card.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Blank check stock must be secured and accounted for to preclude unauthorized use.

Checks must NOT be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" or withdrawals of cash must not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

Voided checks must be marked void. If paper checks are used, the signature block must be cut out. Voided checks must be maintained with the canceled checks.

Returned or undelivered checks must be canceled regularly, but no less frequent than monthly.

Unclaimed checks must be canceled periodically, but no less frequent than every six months.

All supporting documentation should reference the payment made for the expenditure (e.g., check number, transaction number for an electronic funds transfer, credit card payment) and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation and/or without adequate controls over electronic documentation (See [Section A.3.0](#) regarding the use of electronic documentation) will be disallowed upon audit.

A second signature is also recommended on all checks over \$500, unless otherwise specified in the COUNTY Agreement.

3.1 Approvals and Separation of Duties Over Disbursements

Employees responsible for approving cash disbursements and/or signing checks should examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, should be approved by persons independent of check preparation and bookkeeping activities.

In instances where the payee is also a signor on the check, the disbursement must be reviewed and approved by a higher-level employee or board member who must also sign the check. If the bookkeeper signs checks, a second signature must be required on the checks, regardless of limits specified in the COUNTY Agreement.

3.2 Credit Cards

Credit cards issued in the CONTRACTOR'S name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

The use of an employee's personal credit card on behalf of the CONTRACTOR for authorized and necessary items must be limited to purchases where established purchasing and disbursement practices are not suitable.

All credit card disbursements must be supported by original invoices, store receipts, or other external authenticating documents indicating each item purchased, the employee making the purchase, and the justification for the purchase. ***Credit card statements alone are not sufficient support for credit card purchases.*** See [Section A.3.0](#) regarding the use of electronic documentation.

Employee duties must be separated so that the same person cannot approve purchases, reconcile credit card statements, approve reconciliations, or approve payments. Cardholders should not perform any of these duties.

Monthly credit card statements should be reconciled to the source documentation for the expenditure and reviewed by management in a timely manner for appropriateness and accuracy. Any discrepancies must be reviewed, researched, and resolved immediately. The credit card reconciliations should be signed and dated by the reconciler and reviewer.

3.3 Petty Cash

Petty cash must NOT be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).

A CONTRACTOR may establish a petty cash fund up to \$500 to pay for **small** incidental expenditures incurred (e.g., postage due, parking meters, small purchases of office supplies), and may establish multiple petty cash funds when appropriate (i.e., petty cash fund for each location where services are rendered). CONTRACTOR must obtain written approval from the COUNTY to establish a single petty cash fund greater than \$500. Applicable policies and procedures must be established to ensure accountability and restrict the usage of petty cash to the intended purpose of the fund.

Petty cash disbursements must be supported by original invoices, store receipts, or other external authenticating documents indicating each item purchased and the employee making the purchase. If external supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, fees, etc., then some written documentation should be maintained and approved by a supervisory employee not associated with the transaction. See [Section A.3.0](#) regarding the use of electronic documentation.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The petty cash fund should be maintained on an imprest (fixed) basis. A check should be drawn to set up the fund and to periodically replenish the fund up to the imprest amount. Receipts, vouchers, etc., supporting each fund replenishment should be cross referenced to the reimbursement check.

A petty cash log (or equivalent record) must be maintained for each petty cash fund to track the usage and replenishment of petty cash. Petty cash logs should be reviewed monthly by a higher-level employee not having responsibilities over the respective petty cash fund to ensure petty cash funds are being used for their intended purposes. See [Exhibit B](#) for a suggested petty cash log format.

There should be a separate petty cash fund custodian assigned for each petty cash fund established. The petty cash fund custodian should:

- Not have any other cash handling responsibilities (e.g., sign checks).
- Be responsible for maintaining and disbursing the petty cash funds and requesting replenishment of the fund up to its imprest amount, when necessary.
- Reconcile the petty cash fund amount to the cash-on-hand, receipts/invoices for which replenishment has not yet been requested, and replenishment requests in process, but not yet received, each day the petty cash fund is used.

Petty cash must be secured at all times in a locked safe, file cabinet, or cash drawer. Access to the petty cash fund should be limited to the petty cash fund custodian and one other employee in case of absence or emergency.

Surprise cash counts of each petty cash fund should be conducted periodically, but no less than quarterly, to ensure the petty cash fund is being maintained as required. The cash counts should be conducted by a higher-level employee not having cash handling responsibilities over the specific fund being counted. Documentation should be maintained to support each cash count conducted and should be signed and dated by the employee conducting the cash count.

3.4 Other Liquid Assets

Liquid assets must NOT be used as a substitute for normal purchasing and disbursement practices (e.g., payment by check).

CONTRACTOR must centrally monitor any liquid assets that can easily be converted to personal use (e.g., bus tokens/passes, prepaid/EBT/gift cards, tickets, vouchers). Applicable policies and procedures must be established to ensure accountability and restrict the usage of liquid assets to their intended purposes.

The distribution and usage of liquid assets must be supported by a log and/or external authenticating documents. The documents must clearly identify each item distributed/used, amounts issued, the date of distribution/usage, and the name and signature of the recipient/user. If the liquid assets (e.g., gift cards, prepaid cards)

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

are used to pay for other expenditures, additional documentation must be maintained to support the expenditures as required by [Section A.3.0](#). See [Exhibit C](#) for a suggested liquid assets log format.

Logs and/or other external authenticating documents should be reviewed monthly by a higher-level employee not having responsibilities over the respective liquid asset to ensure liquid assets are being used for their intended purposes.

A custodian should be assigned to monitor liquid assets, and should:

- Not have any other cash handling responsibilities (e.g., sign checks).
- Be responsible for maintaining and distributing the liquid assets and requesting replenishment when necessary.
- Reconcile the log to the liquid assets-on-hand and the documentation supporting the distribution and usage of the liquid assets to-date, each day liquid assets are distributed and used.

Liquid assets must be safely secured at all times (e.g., in a locked safe, file cabinet, or drawer). Access to liquid assets should be limited to the custodian and one other employee in case of absence or emergency.

Surprise counts of each liquid asset should be conducted periodically, but no less than quarterly, to ensure liquid assets are being maintained as required. The counts should be conducted by a higher-level employee not having responsibilities over the liquid asset being counted. Documentation should be maintained to support each count conducted and should be signed and dated by the employee conducting the count.

4.0 Payroll and Personnel Records

Adequate payroll and personnel records must be maintained to support payroll transactions. Payroll and/or personnel records should include, but not be limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., job description, notarized copy or original diploma, academic transcripts, license(s))
- Hiring and termination (if applicable) documents
- Employment history and performance evaluations
- Criminal record clearance (if required)
- Citizenship Status
- Benefit balances (e.g., paid time off, sick time, vacation)
- Health Clearances (if required)

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

In addition, personnel records should also include disclosures of any relationships with other CONTRACTOR employees or associates.

4.1 Timecards

Timecards or time reports must be prepared for each employee each pay period. If an employee works on multiple COUNTY/non-COUNTY programs and/or activities, the total hours charged to each of the programs and/or activities must be based on actual conditions (e.g., total hours worked each day by program and the total hours charged to each of the CONTRACTOR'S programs, time studies, full-time equivalents).

Time or budget estimates (i.e., estimates determined before the services are performed) alone do not qualify as support for payroll expenditures and will be disallowed upon audit. Time or budget estimates may be used for interim accounting purposes, unless prohibited by the COUNTY Agreement or applicable funding source(s), provided that the system for establishing the estimates produces reasonable approximations of the activity actually performed. Significant changes in work activity must be identified and adjusted in the financial records in a timely manner. The CONTRACTOR'S system of internal controls must include processes to review after-the-fact interim charges made using time or budget estimates, and be adequately documented. All necessary adjustments must be made such that the final amount charged to the COUNTY is accurate, allowable, appropriately allocated, and based on actual conditions.

All timecards and time reports must be signed and dated by the employee and the employee's supervisor (in ink or electronically) to certify the accuracy and approval of the reported time.

To the extent the CONTRACTOR utilizes electronic timecards and time reports, the CONTRACTOR'S electronic time reporting system must be designed to comply with the internal control standards described in this Handbook (e.g., see [Sections A.3.5](#) and [B.7.0](#) through [B.7.3](#)), and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement), and support the reporting of accurate and reliable financial information.

4.2 Benefit Balances

Employee benefit balances (e.g., paid time off, sick time, vacation) should be maintained on at least a monthly basis. Benefit balances must be increased when benefit hours are earned and decreased as hours are used.

4.3 Incentive Compensation

Incentive compensation paid to employees should be reasonable, based on a measurable performance metric (e.g., cost reduction, efficient performance, suggestion awards, safety awards), and in accordance with the CONTRACTOR'S

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

established policy or agreement with employees. The CONTRACTOR must maintain documentation to support any incentive compensation payments to employees.

Any bonuses, gifts, or other payments provided to employees that are solely intended to improve employee morale will be disallowed upon audit, unless expressly allowed by the COUNTY Agreement and/or the applicable funding source(s).

4.4 Limitations on Positions and Salaries

The CONTRACTOR should not pay any salaries higher than those authorized in the COUNTY Agreement or by the applicable funding source(s) (i.e., federal, State, and COUNTY agencies).

Payroll expenditures for employees working on more than one agreement, program, or activity must be equitably allocated in accordance with the applicable sections of [Uniform Guidance](#) and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement). If an employee serves in the same or dual capacities under more than one agreement or program, time charged to the agreements or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees should be paid a salary that corresponds with the employee's work schedule. For example, a half-time salaried employee performing the same or similar work should be paid proportionately less than a full-time salaried employee.

4.5 Retroactive Payroll Adjustments and Payments

The CONTRACTOR must not charge the COUNTY for any retroactive adjustments to an employee's authorized hourly/salary rate or benefits that result in additional compensation to an individual or group of employees without written approval from the COUNTY.

Retroactive payments to employees to correct underpayment errors may be charged to the COUNTY provided that adequate documentation is maintained to support an employee was underpaid in a prior pay period and the retroactive payment is necessary.

4.6 Separation of Duties Over Payroll and Personnel

Payroll checks should be distributed by persons not involved in timekeeping (e.g., preparing/recording, approving, processing, and reporting of payroll transactions), or reconciling bank accounts.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

All employee hires and terminations, or pay rate changes, must be approved in writing by authorized persons independent of payroll responsibilities.

4.7 Security Over Payroll and Personnel Records

Adequate security must be maintained over payroll and personnel records with access restricted to authorized individuals. Any automated payroll and personnel records which contain confidential information, such as, but not limited to, employee addresses and medical information, must be adequately safeguarded using the information security and privacy standards discussed in Section A.3.6 to prevent unauthorized access and use.

5.0 Procurement

Written policies and procedures must be established to ensure goods and services are procured in a manner providing full and open competition and in accordance with the requirements of [Uniform Guidance](#) and any other applicable funding source(s) (i.e., federal, State, and COUNTY agencies). The written policies and procedures must also cover conflicts of interest where the CONTRACTOR and/or its directors, officers, or key employees are unable (or appear to be unable) to be impartial in conducting a procurement action.

CONTRACTOR must maintain sufficient records to support the history of procurement. At a minimum, the records should detail the rationale for the procurement method, the selection of the contract type (e.g., cost reimbursement, fixed-price), reasoning/justification for contractor or vendor selection or rejection, and the basis for the contract price/rate.

The procurement of any goods and/or services with an aggregate value that exceeds the lesser of \$5,000 or the amount required by the CONTRACTOR'S policy must be approved by the CONTRACTOR'S board of directors.

Failure to procure goods and services as required and maintain adequate documentation to support expenditures charged to the COUNTY may result in inadequately supported expenditures and may be disallowed upon audit.

5.1 Methods of Procurement

[Uniform Guidance](#) describes the following methods for procuring goods and services:

- Informal Procurement
- Formal Procurement
- Noncompetitive Procurement

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Informal Procurement

When the aggregate value of the goods and/or services being procured is less than \$10,000, the CONTRACTOR must ensure the price is reasonable based on research, experience, purchase history, and/or other relevant information.

Where the aggregate value of the goods and/or services being procured is between \$10,000 and \$249,999, the CONTRACTOR must ensure the price is reasonable by obtaining price or rate quotations from an adequate number of qualified sources. CONTRACTOR should consider obtaining price or rate quotations from at least three qualified sources.

Formal Procurement

When the aggregate value of the goods and/or services being procured is \$250,000 or more, the CONTRACTOR must ensure the price is reasonable by formally and publicly advertising and soliciting sealed bids or competitive proposals from an adequate number of qualified sources.

Sealed bids are generally solicited for firm-fixed price contracts (lump sum or unit price). The contract should be awarded to a responsible bidder whose bid conforms with all material terms and conditions of the invitation for bids and is the lowest price.

Competitive proposals are generally solicited when conditions are not appropriate for the use of sealed bids and can be used for either cost reimbursement or fixed price type contracts. The contract should be awarded to the offeror whose proposal is most advantageous to the CONTRACTOR and should be based on price and other relevant factors.

Noncompetitive Procurement

Noncompetitive procurements should only be used when the aggregate value of the goods or services is less than \$10,000, the goods or services can only be obtained from a single source, there is an immediate need for the goods or services and delays from publicizing a competitive solicitation are not permitted, or a competitive solicitation was conducted and competition was determined to be inadequate.

The CONTRACTOR must obtain written approval from the COUNTY and/or the applicable funding source(s) prior to using a noncompetitive procurement that does not meet one of the conditions described above.

6.0 Capital and Non-Capital Assets

Controls over capital and non-capital assets are necessary to safeguard investments, establish responsibility for the custody of each asset, provide

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

necessary data for financial reporting, and provide required information and documentation for depreciation, insurance, audit, and other purposes.

6.1 Capital Assets

Capital assets are tangible or intangible assets of significant value having a useful life that extends beyond the current year and include land, buildings and improvements, equipment, and intellectual property (including software). All applicable assets with an acquisition cost of \$5,000 or more must be capitalized in accordance with GAAP.

Acquisition cost means the net invoice unit price of an item, including shipping costs and sales taxes, the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired. Acquisition costs for software include those development costs capitalized in accordance with GAAP.

Capital asset purchases must be approved by the CONTRACTOR'S board of directors or their authorized representative.

Capital assets should not be ordered or purchased and charged to the COUNTY during the last three months of the term of the Agreement, unless the acquisition is pre-approved by the COUNTY or the CONTRACTOR'S Agreement with the COUNTY is renewed or extended.

6.2 Acquisition

CONTRACTOR must submit a purchase versus lease analysis to COUNTY and obtain written authorization before making a capital asset purchase where the acquisition cost is \$25,000 or more, and all, or a portion of the cost of the capital asset will be charged to the COUNTY Agreement. If the cost of the capital asset will be charged to multiple COUNTY Agreements, the CONTRACTOR only needs to obtain written authorization from the COUNTY department(s) where the CONTRACTOR anticipates expenditures charged will exceed the lesser of 10% of the acquisition cost of the capital asset or \$5,000, unless more restrictive and/or stringent requirements over acquisitions are required by the COUNTY Agreement and/or the applicable funding source(s).

6.3 Non-Capital Asset Equipment

Non-capital asset equipment is defined as equipment containing COUNTY non-public information, or equipment with a unit cost of more than \$250 but less than \$5,000, a useful life over one year, and can generally be easily carried or moved; especially by hand (e.g., personal computers, scanners, other portable assets).

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

6.4 Asset Identification and Inventory

All capital assets and non-capital asset equipment (assets) purchased in full, or in part, with COUNTY Agreement funds are to be used for the benefit of the COUNTY Agreement and should be appropriately tagged.

CONTRACTOR must maintain an accurate, complete, and current listing of assets. The listing should include the item description, serial number, date of purchase, acquisition cost, source(s) of funding, location, and the specific employee(s) the asset is assigned to or controlled by, when applicable. Unassigned assets must also be identified on the listing.

An inventory of all assets must be conducted at least once every two years to ensure that all assets are accounted for, used, maintained in proper working order, and needed. Documentation must be maintained to support the inventory conducted, and any depreciation charges in accordance with [Uniform Guidance](#).

6.5 Security Over Assets

Physical security must be adequately maintained over all assets to prevent the misuse, theft, or destruction of COUNTY property and non-public information. To the extent necessary, physical security controls over assets should include the use of badges/identification cards, locks, security cables, and/or assorted barriers to prevent physical tampering, damage, theft, or unauthorized physical access.

6.6 Asset Management

The CONTRACTOR must assume responsibility and accountability for the maintenance of all assets purchased, leased, or rented with COUNTY Agreement funds, or any other assets containing COUNTY non-public information.

The CONTRACTOR must maintain documentation to support all cases of theft, loss, damage, or destruction of assets purchased with COUNTY Agreement funds or containing COUNTY non-public information. The documentation should, at a minimum, contain item identification, recorded value, facts relating to loss, and, where appropriate, a copy of the law enforcement report. In cases where the loss resulted from suspected criminal activity (e.g., theft, vandalism, arson), the incident must be reported to the local law enforcement agency with jurisdiction over the location of the suspected crime.

The supporting documentation, including a copy of any related crime/incident reports, must be retained by the CONTRACTOR for a period of time under which the underlying records were destroyed or damaged were required to be retained and must be retained for a longer period in the case of unresolved litigation or audit.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The CONTRACTOR must promptly report in writing to the COUNTY, and provide copies of all relevant supporting documentation described above, all cases of theft, loss, damage, or destruction of:

- Any capital assets purchased with COUNTY Agreement funds.
- Any non-capital asset equipment purchased with COUNTY Agreement funds with an acquisition cost or aggregate costs of \$950 or more.
- Any capital or non-capital assets that electronically stored, used, and/or transmitted COUNTY non-public information.

CONTRACTOR must safely and securely dispose of or return to the COUNTY all capital and non-capital assets in accordance with the Agreement.

7.0 Information Technology

Information technology (IT) controls are necessary to protect the security, integrity, and availability of COUNTY non-public information, Protected Health Information (PHI), IT resources (e.g., systems and networks, accounting management software/applications, electronic time reporting systems), and data (e.g., electronically stored information, records, or documentation).

7.1 Information Technology Controls

It is the CONTRACTOR'S sole obligation to design and implement appropriate and reasonable IT controls to, at a minimum:

- Secure and protect its IT resources and data against internal/external threats and risks.
- Help ensure the accuracy and integrity of CONTRACTOR'S electronic records and data is not compromised.
- Ensure adequate safety mechanisms (e.g., unique log-on identifications, computer access codes, account codes, passwords, multi-factor authentication tokens, transaction approval/authorization controls) are in place to limit user (e.g., employees, subcontractors, contractors/consultants) access privileges to protect COUNTY non-public information, PHI, IT resources, and data related to the COUNTY Agreement from unauthorized or unlawful access, use, disclosure, alteration or destruction.
 - Users must only receive access to non-public information that is necessary to perform their assigned job duties, and must not be given an access authorization level that is higher than needed.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

- CONTRACTOR must review, and update, if necessary, user access rights/permissions at least annually, or when a user's job assignment and/or responsibilities change, to ensure access capabilities are consistent with the user's job duties. In addition, guest user access and inactive users, including terminated employees, contractors/consultants, and other unnecessary access should be reviewed and removed or disabled timely.
- Ensure adequate and ongoing IT and cyber security awareness training is provided to applicable CONTRACTOR employees.
- Capture sufficient audit trail information to identify the individual user(s) who performed key components (e.g., entry, approval) of critical or high risk (e.g., disbursement, payroll) transactions.
- Ensure all data/transactions entered into an information system are processed completely and accurately, duplicate transactions are prevented and/or detected timely, inputs and modifications to data are authorized, and all data is protected from improper or unauthorized deletion and alteration. For example, procedures for reviewing and approving source documents for reasonableness and proper authorization prior to entering information should be established, when applicable.
- Ensure any output (e.g., paper printouts, digital information, electronic records) containing non-public information or regulated data and transactions is adequately protected and clear individual accountability is maintained, when applicable.

7.2 Information Technology Security Management

CONTRACTOR must establish and implement IT policies and procedures that align with the applicable IT standards described in this Handbook, [COUNTY Board Policy 5.200](#), and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement, applicable sections of the [Board Policy Manual](#)). A good IT policy should address, at a minimum, such issues as:

- Security management
- Security awareness training
- Security and privacy violations/breaches, incident reporting, and response protocols
- Cyber security (e.g., encryption, malware/ransomware protection, vulnerability testing and monitoring)
- Separation of duties
- User access (including remote access) to system(s) data
- Authorization of transactions
- Exception/error resolution
- Back-up recovery and restart protocols (e.g., disaster recovery and business

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

contingency planning)

- Change controls (e.g., for maintenance, enhancements, or modifications to application systems, networks, and software), if applicable

CONTRACTOR must also ensure their IT policies are periodically reviewed and updated/modified when changes are necessary (e.g., to implement new systems or changes in procedures, adopt new security protocols, address new risks or circumstances).

To the extent CONTRACTOR exchanges or shares information with other authorized external parties (e.g., third-party vendors/providers, subcontractors, contractors/consultants), CONTRACTOR must also establish policies and procedures to ensure the security, reliability, and integrity of such information.

Any applicable security incidents (e.g., loss of COUNTY non-public information, breach of confidentiality, non-permitted use or disclosure of PHI) must be reported in accordance with the standards described in this Handbook, and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement).

7.3 Separation of Duties Over Systems

CONTRACTOR must ensure sufficient checks and balances exist, and adequate separation of duties are maintained over IT systems to help minimize the risk of fraudulent activity and user error, and ensure transactions (e.g., accounting, payroll, time reporting, disbursements) are properly initiated approved, processed, reported, and reconciled.

Work should be divided among two or more employees so that one employee does not have control over multiple key aspects of an IT system, and the functions performed by one employee may be checked by functions performed by other employees. For example, employees who have access to add or change vendor information (e.g., vendor and contact names, addresses, phone numbers) must not have access to process invoices.

8.0 Electronic Signatures

Electronic signatures (e-Signatures) may be used to represent an individual's acknowledgment, acceptance, or approval of an agreement, transaction, report, record, or form, unless otherwise prohibited by the COUNTY Agreement and/or applicable funding source(s). Various types of e-Signatures exist. The most secure forms of e-Signatures will provide a digital audit trail that confirms when a document was signed, provides assurance that the individual claiming to be the signor is the signor through effective authentication methods (e.g., unique log-on identifications, account codes, passwords), and can safeguard documents from being altered after they have been signed. When determining which type of e-Signature to use, CONTRACTOR should consider the associated risks and level of assurance needed for the signature or document, and any other applicable

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

federal, State, and COUNTY requirements (e.g., COUNTY Agreement).

9.0 Subcontracts

CONTRACTOR must not subcontract services without the prior written consent of the COUNTY. Payments for subcontracted services without the prior written consent of the COUNTY may be disallowed upon audit.

CONTRACTOR must provide the COUNTY with copies of all executed subcontracts and must be responsible for the performance of their subcontractors. CONTRACTOR may submit an electronic copy of executed subcontracts in preference to a hardcopy, unless original signed subcontracts are required by the COUNTY Agreement or the applicable funding source(s).

9.1 Subcontractor Monitoring

CONTRACTOR must monitor the activities of their subcontractors as necessary, but no less than annually, to ensure governmental monies are used for their intended purposes, compliance with applicable federal, State, and COUNTY requirements, and performance goals are achieved. For example, the monitoring must include, but not be limited to:

- Performing reviews of the subcontractor's fiscal and program operations (e.g., verifying expenditures charged to the subaward are adequately supported, allowable, and appropriately allocated; verifying internal controls are maintained as required; and verifying subcontracted services are meeting required performance standards).
- Performing reviews of required financial and performance reports.
- Verifying all subcontractors are audited as required.
- Following-up and ensuring appropriate corrective action is taken on all deficiencies pertaining to the subcontract.

C. COST PRINCIPLES

1.0 Purpose of Program Funds

It is the intent of the COUNTY to provide funds for the purpose of the CONTRACTOR to provide the services required by the Agreement. CONTRACTOR must use these funds on actual expenditures in an economical and efficient manner, and ensure they are reasonable, proper, and necessary costs of providing services and allowable in accordance with the applicable sections of [Uniform Guidance](#), and any other applicable funding source(s) (i.e., federal, State, and COUNTY agencies) requirements.

**1.1 Limitations and Requirements for Program Expenditures**

CONTRACTOR must comply with all limitations and requirements for COUNTY Program expenditures in the Agreement, the applicable sections of [Uniform Guidance](#), and/or any other applicable funding source(s) (i.e., federal, State, and COUNTY agencies). If a CONTRACTOR is unsure of the allowability of any particular type of expenditure, the CONTRACTOR should request advance written approval from the COUNTY and/or applicable funding source(s) prior to incurring the expenditure.

1.2 Limitations on Payments to Affiliated Organizations or Persons (i.e., Related Party/Less-Than-Arm's-Length Transactions)

For purposes of the COUNTY Agreement, COUNTY must be solely responsible for determining affiliation unless otherwise allowed and approved by federal, State, or COUNTY agencies. Organizations or persons will be considered affiliated when one party is able to control or substantially influence the actions of the other. Affiliation includes, but is not limited to, a relationship between the CONTRACTOR and:

- An organization related through legal organization (i.e., corporation, partnership, parent company, subsidiary organization, association).
- An organization under common control through its common officers, directors, or members.
- A director, trustee, officer, or key employee, or an individual related by blood, marriage, or affinity, either directly or through corporations, trusts, or similar arrangements in which they hold a controlling interest.

Prior to making payments to affiliated organizations or persons (i.e., related party/less-than-arm's-length transactions), CONTRACTOR must complete and submit to the COUNTY a disclosure statement identifying the nature of the relationship with the affiliated or related organizations/persons.

CONTRACTOR must not make payments to affiliated organizations or persons for program expenditures (e.g., salaries, services, rent) that exceed the lesser of actual costs of the affiliated or related organizations/persons or the reasonable costs for services rendered and/or items purchased. A reasonable cost is the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lesser of actual costs of the affiliated or related organizations/persons or the reasonable costs (fair market value) for services rendered or items purchased.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

1.3 Unallowable Expenditures

[Uniform Guidance](#) addresses the allowability of a variety of costs. For all costs, there are certain restrictions and limitations; however, the following are examples of costs that are generally unallowable, unless expressly allowed by the COUNTY Agreement and/or the applicable funding source(s):

- Bad debts
- Bonuses, gifts, and other expenditures solely intended to improve employee morale
- Contingency provisions
- Contributions and donations
- Entertainment, social activities, and other similar expenditures (unless there is a programmatic purpose)
- Fines and penalties (e.g., Non-sufficient Funds Check Fees, Traffic Citation Fees)
- Fundraising activities
- Interest
- Losses on other awards

1.4 Depreciation

Unless otherwise approved by the COUNTY, compensation for the use of buildings, capital improvements, equipment, and software projects may be made through depreciation in accordance with the applicable sections of [Uniform Guidance](#):

- The computation of depreciation is based on the acquisition cost of the asset(s).
- The computation should exclude the cost of:
 - Land
 - Buildings and equipment donated by governmental agencies
 - Buildings and equipment contributed by the CONTRACTOR to satisfy funding matching requirements
 - Any asset acquired solely for the performance of a non-Federal award.
- For depreciation, an appropriate useful life must be established for the asset(s), which considers factors such as the type of construction, nature of the asset used, susceptibility to technological obsolescence or technological developments in the particular area, historical data, and the renewal and replacement policies followed for the assets involved, etc.
- [Appendix B to IRS Publication 946](#), "How to Depreciate Property," contains guidelines for establishing an asset's useful life.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

1.5 Rental Costs of Buildings and Equipment

Rental costs are allowable to the extent that the rates are reasonable considering rental costs of comparable property, market conditions in the area, condition of the property being leased, etc.

- Under a “sale and leaseback” arrangement, rental costs would be allowable up to the amount that would be allowed if the CONTRACTOR had continued to own the property. This amount generally includes expenditures such as depreciation, maintenance, taxes, and insurance.
- Under a “less-than-arms-length” lease, costs are only allowable up to the amount that would be allowable had title to the property vested in the CONTRACTOR. This amount generally includes expenditures such as depreciation, maintenance, taxes, and insurance.

1.6 Budget Limitation

Expenditures must not exceed the maximum limits in the COUNTY Agreement budget.

1.7 Expenditures Incurred Outside the Agreement Period

Expenditures charged against program funds may not be incurred prior to the effective date of the COUNTY Agreement or subsequent to the COUNTY Agreement termination, or expiration date. Similarly, current period expenditures related to events or activities that occurred prior to the effective date of the COUNTY Agreement may not be allowable. For example, legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid COUNTY Agreement between CONTRACTOR and COUNTY are not allowable.

1.8 Unallowable Activities

COUNTY program funds, materials, property, or services must not be used for investments where there is a risk of loss or for the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

1.9 Unspent Program Funds

CONTRACTOR must return any unspent program funds to the COUNTY, unless otherwise permitted by the COUNTY Agreement. In addition, the COUNTY will determine the disposition of unspent program funds upon termination of the COUNTY Agreement.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

2.0 Allocable Expenditures

For CONTRACTORS that operate programs or provide services in addition to the services required under the COUNTY Agreement, the CONTRACTOR must allocate expenditures to all benefiting programs, activities (including unallowable activities, such as fundraising and investment activities), and funding sources using an equitable basis.

In accordance with the applicable sections of [Uniform Guidance](#), CONTRACTORS must define their allocable expenditures as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible. ***Actual conditions must be taken into account when selecting the method and/or base to be used to allocate expenditures to ensure expenditures are allocated equitably to each benefiting program, activity, and funding source.***

The CONTRACTOR must maintain documentation for allocated expenditures (e.g., timecards, time studies, calculation of full-time equivalents, square footage measurements).

Under no circumstances can allocated expenditures be charged to an extent greater than 100% of actual expenditures or the same expenditure be charged both directly and indirectly.

2.1 Direct Costs

Unless otherwise set forth in the COUNTY Agreement, or required by the applicable funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (e.g., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenditures should be treated as direct charges and distributed on the basis of the actual recorded hours spent on each program or using another equitable basis based on actual conditions.

Shared costs (i.e., costs that benefit more than one program or activity) that can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating shared costs as direct costs:

- Number of direct hours spent on each program

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

- Full-time equivalents for each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or shared purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include the salaries and benefits of executive officers and administrative personnel (e.g., accounting, human resources, information technology), depreciation and use allowances for administrative buildings, and other costs related to the general administration of the organization. Only expenditures that are allowable in accordance with the applicable sections of [Uniform Guidance](#) and any other applicable funding source(s) (i.e., federal, State, and COUNTY agencies) can be included as indirect costs and allocated to the COUNTY program(s).

Examples of bases for allocating indirect costs:

- Total direct salaries and wages.
- Total direct costs, excluding unallowable costs that do not represent an activity of the CONTRACTOR (e.g., fines, penalties, bad debts), capital expenditures, and other distorting items such as significant one-time expenditures, or subcontractor payments.
- Modified total direct costs, including all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the applicable threshold (e.g., \$25,000 (prior to October 1, 2024), \$50,000) of each subaward (regardless of the period of performance of the subawards under the award). It excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of the applicable threshold (e.g., \$25,000 (prior to October 1, 2024), \$50,000) as required by [Uniform Guidance](#).

2.3 Acceptable Indirect Cost Allocation Methods

[Uniform Guidance](#) describes the following allowable methods for allocating and charging indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate
- De minimis rate

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

CONTRACTOR must ensure the indirect cost allocation methodology chosen is clearly described in their Cost Allocation Plan and is used consistently to allocate indirect costs. See [Exhibit D](#) for examples of how to allocate indirect costs using these methods.

Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base (see [Exhibit D.1](#) for example).

Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenditures are treated as direct costs. Shared costs, such as depreciation, facility and equipment rentals, facilities maintenance, telephone, and other similar expenditures, are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenditures, are then allocated using the simplified allocation method previously discussed (see [Exhibit D.2](#) for example).

Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated (see [Exhibit D.3](#) for example).

Negotiated Indirect Cost Rates

CONTRACTORS have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency with the largest dollar value of federal awards funded to the organization. The approved indirect cost rate is then applied to the total approved direct cost base (see [Exhibit D.4](#) for example).

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR must submit a copy of the approval letter to COUNTY upon request.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

De Minimis Rate

A CONTRACTOR that does not have a current negotiated (including provisional) federally approved indirect cost rate may elect to charge indirect costs based on the applicable de minimis rate (e.g., 10% (prior to October 1, 2024), up to 15%) of modified total direct costs. If elected, this rate may be used indefinitely, but must be used consistently to charge indirect costs to all programs and activities (see [Exhibit D.5](#) for example).

2.4 Indirect Cost Limitations

CONTRACTOR must ensure indirect costs charged to the COUNTY program(s) are within any maximum limitations established by statutory requirements. Any amounts charged in excess of maximum limitations will be disallowed upon audit unless otherwise allowed and approved by the applicable federal, State, or COUNTY agency.

2.5 Cost Allocation Plan

CONTRACTOR must maintain an annual Agency-wide Cost Allocation Plan (Plan), and submit the Plan to the County if required by the COUNTY Agreement, and/or when requested by the COUNTY. The Cost Allocation Plan must be prepared in accordance with the applicable sections of [Uniform Guidance](#), and any other applicable federal, State, and COUNTY requirements (e.g., COUNTY Agreement, COUNTY instructions) and include the following information:

- CONTRACTOR's general accounting policies:
 - Fiscal year
 - Method for allocating indirect costs (e.g., simplified, direct, multiple, negotiated rate, de minimis rate)
 - Indirect cost rate allocation base (e.g., direct salaries and wages, direct costs).
- Identify the CONTRACTOR'S direct, shared, and indirect costs (by category) and describe the cost allocation methodology for each category.
- Signature of CONTRACTOR management certifying the accuracy of the plan.

3.0 Overpayments

If upon audit, or at any time during the Agreement year, it is determined that cost reports or invoices submitted to the COUNTY which were used as a basis for payments to the CONTRACTOR were inaccurate, the COUNTY may determine the total overpayment and require the CONTRACTOR to repay the COUNTY. The COUNTY may withhold payments from CONTRACTOR'S future payments unless otherwise prohibited by federal and/or State regulations.

D. GOVERNANCE

1.0 Governance Overview

Large numbers of nonprofit corporations, organized for public benefit, receive public funds through contracts with the COUNTY. Many COUNTY service contracts support key public initiatives, including protecting children, providing health care, fostering employment, and reducing the effects of mental impairments and substance abuse.

Nonprofit organizations doing business with the COUNTY must conduct their work in a manner consistent with their charitable mission and the public purposes embodied in the COUNTY Agreement. This demands that nonprofit agency governing boards be conscious of their fiduciary responsibilities in providing proper oversight and direction, and making decisions.

1.1 Board of Directors' Requirements

Nonprofit agencies doing business with the COUNTY must have a governing board of at least three (3) directors in accordance with State law (e.g., [Sections 12331](#) and [5227](#) of [California Corporations Code](#)). At no time should more than 49% of the persons serving on the board of directors (board or directors) be "interested persons." An "interested person" includes:

- Any person currently being compensated by the CONTRACTOR for services rendered within the previous 12 months, whether as a full-or part -time employee, independent contractor, or otherwise.
- Any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in law, daughter-in-law, mother-in law, or father-in law of any such person (e.g., directors, CONTRACTOR or subcontractor employees).

The majority of the directors should not have a direct or indirect material financial interest in the organization, or any other relationship that could create a conflict of interest on the part of the director(s). A financial interest may exist for reasons of business, investment, or family relationship. "Financial interest" means an actual or potential ownership, investment, or compensation arrangement in or with any entity or individual with which the organization has, or is negotiating, a transaction or arrangement.

Directors, officers, and employees of nonprofit corporations with which the COUNTY contracts must not:

- Permit or benefit from self-dealing transactions (unless permitted by law), or unreasonable compensation.
- Misuse or dissipate scarce public resources.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

Additional details regarding governance and directors' requirements are included in State Law (e.g., [California Corporations Code](#), [Section 12586 of California Government Code](#)).

1.2 Board of Directors' Fiduciary Responsibilities

All members of a nonprofit organization's governing board must perform their duties in good faith and in a manner they believe to be in the best interests of the CONTRACTOR and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. Although directors may delegate management of CONTRACTOR operations, activities, and affairs, to officers, employees, management companies, or committees, the directors are ultimately responsible for the direction and oversight of the organization. Directors' fiduciary responsibilities include, but are not limited to, the following:

- Monitoring the organization's fiscal and programmatic performance.
- Overseeing the organization's risk management, control processes, usage of funds, and protection of the organization's assets.
- Ensuring the organization's compliance with applicable federal, State, and COUNTY regulations.
- Making, reviewing, and/or approving decisions that are in the best interest of the organization (not in the best interest of any individual or other organization). For example, the board should review and approve all significant transactions (e.g., less-than-arm's length transactions, purchases of capital assets, loans, incentive compensation to the organization's management and employees).
- Recognizing and disclosing conflicts of interest.

1.3 Oversight Mechanisms

An organization's governing board must provide for its governance by:

- Adopting and disclosing the organization's governance standards, including director qualifications, responsibilities, and compensation. The standards may provide for "just and reasonable" compensation and benefits consistent with the compensation amount or guidelines established in the organization's contract(s) with the COUNTY. Compensation and benefits of directors, officers, and employees should be comparable to agencies of similar size and function (see [Section B.4.4](#), "Limitations on Positions and Salaries"). No employee may receive compensation or benefits for more than one organization job. For example, the Chief Executive Officer (CEO) cannot receive compensation or benefits for the job of CEO and another job such as program manager, etc.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

- Adopting and disclosing a code of business conduct and ethics for directors, officers, and employees, and promptly disclosing to the County any waivers (e.g., authorized exemptions, exceptions) of the code affecting organization directors, officers, or employees.
- Reviewing, no less than annually, the CONTRACTOR'S compliance with COUNTY Agreement terms and conditions/provisions (e.g., insurance, internal controls, federal and State reporting, payment requirements for payroll withholding) and report any applicable deviations to the COUNTY .

An organization's governance guidelines and code of ethics must:

- Provide for an annual process to distribute to and obtain from directors, officers and employees written acknowledgments of their adherence to the CONTRACTOR'S governing standards.
- Incorporate a mechanism for disclosing and addressing possible conflicts of interest.
- Provide appropriate record-keeping, particularly of transactions and arrangements required to be reviewed by the governing board and where significant organization resources are expended by or for officers, directors and employees.

1.4 **Board Meetings**

A CONTRACTOR'S board must meet periodically to ensure the directors' fiduciary responsibilities (see [Section D.1.2](#)) are carried out as required. It is recommended a CONTRACTOR'S board meet at least four times a year. Board members may participate in meetings using conference telephone or electronic communication. Additional details are included in State Law (e.g., [Section 5211 of California Corporations Code](#)).

Board meeting minutes must be written (or in any form capable of being converted into clearly legible tangible form), maintained for each meeting, and certified by the board secretary (or an assistant secretary/alternate) in accordance with State Law (e.g., [Sections 5215](#) and [6320](#) of [California Corporations Code](#)). In addition, the meeting minutes should include:

- The names of the board members who are present and absent.
- The date and time the meeting begins and ends.
- A summary of all discussions, deliberations, and actions taken by the board.
- The names of board members making and seconding motions, and a breakdown of the votes on the motions.
- A summary of future action items/steps and who is responsible for them.

AUDITOR-CONTROLLER

CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

1.5 Audit Committee

The board must establish an audit committee when applicable in accordance and compliance with the Nonprofit Integrity Act of 2004 ([SB 1262 Chapter 919](#)) and State law (e.g., [Section 12586 of California Government Code](#)).

Annual Audit Duties

The Audit Committee:

- Is responsible for making recommendations to the board on the hiring and firing of the CONTRACTOR'S independent auditor to perform annual audits.
- Must confer with the CONTRACTOR'S independent auditor to satisfy audit committee members that the financial affairs of the CONTRACTOR are in order, review each audit and decide whether to accept it, and ensure that the COUNTY receives a copy of the annual audit report and all other audits, reviews, and other third-party reports.

Additional Audit Committee Duties

The audit committee must:

- Establish procedures for receiving and addressing complaints regarding accounting, internal controls, and auditing matters.
- Monitor and take steps to ensure proper management response to major performance or fiscal deficits, such as any material weaknesses and/or significant deficiencies identified during an audit.
- Pre-approve all audit and non-audit services provided by the auditor. Non-audit services are defined as any professional services provided other than those provided in connection with an audit or review of the financial statements of the CONTRACTOR. The following is a list of non-audit services for which the independent auditor cannot perform unless the firm follows the independence standard in the Yellow Book issued by the U.S. Comptroller General:
 - ✓ Bookkeeping or other services related to the accounting records or financial statements of the audit client
 - ✓ Financial information systems design and implementation
 - ✓ Internal audit outsourcing services
 - ✓ Management functions or human resources
 - ✓ Investment adviser or investment banking services
 - ✓ Legal services and expert services unrelated to the audit

**E. REPORTING FRAUD/MISCONDUCT**

CONTRACTORS are required to report suspected fraud, waste, or misuse of public monies, as well as misconduct involving COUNTY personnel to the Los Angeles County Fraud Hotline (Hotline). CONTRACTORS are also required to report suspected fraud committed by their employees and subcontractors when that fraud affects their Agreement with the COUNTY. Reportable conditions include, but are not limited to:

- Requests for bribes/kickbacks/gratuities.
- Favoritism/nepotism in the awarding of COUNTY Agreements, or selection of vendors.
- Embezzlement, theft, or misuse of any COUNTY funds, resources, time, equipment, or information.
- CONTRACTOR or vendor improprieties (e.g., inappropriate or unethical actions/behaviors such as unfair business practices, disregard for laws, abuse of power, corruption, etc.)

Reportable conditions must be reported to the Hotline upon their discovery by CONTRACTOR. Failure to report the types of fraud/misconduct discussed above may be grounds for contract termination.

The reporting party may remain anonymous. Reports can be made via telephone, mail, e-mail, or online to:

Indirect Cost Allocation Methods Examples

D.1 - Simplified Allocation Method Example

ABC, Inc. operates two programs, uses direct salaries as their distribution base for indirect costs, and reported the following costs:

Agency-wide Indirect Costs	\$250,000
Program A Direct Salaries	\$100,000
Program B Direct Salaries	\$900,000

Step 1: Classify all costs as either direct or indirect (as indicated above).

Step 2: Calculate the indirect cost rate by dividing the total indirect costs by total direct salaries.

Indirect Costs	\$250,000	
Total Direct Salaries	\$1,000,000	= \$100,000 + \$900,000
Indirect Cost Rate	25%	= $\frac{\$250,000}{\$1,000,000}$

Step 3: Allocate indirect costs to each program by multiplying the indirect cost rate by the direct salaries for each respective program.

Indirect Costs Allocated to Program A	\$25,000	= \$100,000 x 25%
Indirect Costs Allocated to Program B	\$225,000	= \$900,000 x 25%

D.2 - Direct Allocation Method Example

ABC, Inc. operates two programs and conducts fundraising activities. The Agency uses square footage as their distribution base for shared facility rent and maintenance costs and direct costs as their distribution base for indirect costs. ABC, Inc. reported the following costs:

General Administration and General Expenses (Indirect Costs)	\$250,000
Shared Costs: Facility Rent and Maintenance	\$150,000
Program A Direct Costs	\$100,000
Program B Direct Costs	\$850,000
Fundraising Direct Costs	\$50,000

Step 1: Separate costs into three basic categories:

- General Administration and General Expenses (Indirect Costs)
- Direct Programs and Activities
- Fundraising

Step 2: Calculate the percentage of square footage occupied by each program and activity. ABC, Inc.'s facilities have a total of 4,000 square feet and the Agency determined Program A occupies 2,800 square feet, Program B occupies 1,000 square feet, and fundraising activities occupies 200 square feet, respectively.

Program A Square Footage	2,800	70%
Program B Square Footage	1,000	25%
Fundraising Square Footage	200	5%
Total Square Footage	4,000	100%

Step 3: Allocate the shared facility rent and maintenance costs based on the percentage of square footage used by each program and activity.

Shared Costs: Facility Rent and Maintenance	\$150,000	
Shared Costs Allocable to Program A	\$105,000	= \$150,000 x 70%
Shared Costs Allocable to Program B	\$37,500	= \$150,000 x 25%
Shared Costs Allocable to Fundraising	\$7,500	= \$150,000 x 5%

Step 4: Calculate the total direct costs for each program and activity by adding the direct costs to the shared costs allocated to each respective program.

Program A Direct Costs	\$100,000
+ Program A Shared Costs	\$105,000
Total Program A Direct Costs	\$205,000
Program B Direct Costs	\$850,000
+ Program B Shared Costs	\$37,500
Total Program B Direct Costs	\$887,500
Fundraising Direct Costs	\$50,000
+ Fundraising Shared Costs	\$7,500
Total Fundraising Direct Costs	\$57,500

Step 5: Calculate the indirect cost rate by dividing the total indirect costs by total direct costs.

Total Indirect Costs	\$250,000	
Total Direct Costs	\$1,150,000	= \$205,000 + \$887,500 + \$57,500
Indirect Cost Rate	21.74%	= $\frac{\$250,000}{\$1,150,000}$

Step 6: Allocate indirect costs to each program and activity by multiplying the indirect cost rate by the total direct costs for each respective program and activity.

Indirect Costs Allocable to Program A	\$44,565	= \$205,000 x 21.74%
Indirect Costs Allocable to Program B	\$192,935	= \$887,500 x 21.74%
Indirect Costs Allocable to Fundraising	\$12,500	= \$57,500 x 21.74%

D.3 - Multiple Allocation Base Method Example

ABC, Inc. operates two programs and conducts fundraising activities. The Agency uses square footage as their distribution base for indirect facilities costs and modified total costs⁽¹⁾ as their distribution base for indirect administration costs. ABC, Inc. reported the following costs:

- (1) *Modified total costs (MTC) are the modified total direct costs (MTDC) plus allocated indirect costs. MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$50,000 (effective October 1, 2024) of each subaward (regardless of the period of performance of the subawards under the award). It excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000 (effective October 1, 2024).*

Indirect Depreciation	\$100,000
Indirect Interest	\$150,000
Indirect Operation and Maintenance Expenses	\$550,000
Indirect General Administration	\$700,000
Indirect General Expenses	\$500,000
Program A Modified Total Direct Costs	\$7,250,000
Program B Modified Total Direct Costs	\$1,500,000
Fundraising Modified Total Direct Costs	\$250,000

Step 1: Establish separate indirect cost groupings based on the benefits provided to the programs and activities. The cost groupings are classified within two broad categories, "Facilities" and "Administration", and should include the following indirect cost pools:

Facilities

- Depreciation
- Interest
- Operation and Maintenance Expenses

Administration

- General Administration and General Expenses

Indirect Facilities Costs

Indirect Depreciation	\$100,000
Indirect Interest	\$150,000
Indirect Operation and Maintenance Expenses	\$550,000
Total Indirect Facilities Costs	\$800,000

Indirect Administration Costs

Indirect General Administration	\$700,000
Indirect General Expenses	\$500,000
Total Indirect Administration Costs	\$1,200,000

Step 2: Calculate the percentage of square footage occupied by each program and activity. ABC, Inc.'s facilities have a total of 10,000 square feet and the Agency determined Program A occupies 5,000 square feet, Program B occupies 2,000 square feet, fundraising activities occupies 500 square feet, and administration occupies 2,500 square feet, respectively.

Exhibit D

Program A Square Footage	5,000	50%
Program B Square Footage	2,000	20%
Fundraising Square Footage	500	5%
Administration Square Footage	2,500	25%
Total Square Footage	10,000	100%

Step 3: Allocate "Facilities" costs to all benefiting programs and activities based on the percentage of square footage used by each program and activity.

Indirect Facilities Costs Allocated to Program A	\$400,000	= \$800,000 x 50%
Indirect Facilities Costs Allocated to Program B	\$160,000	= \$800,000 x 20%
Indirect Facilities Costs Allocated to Fundraising	\$40,000	= \$800,000 x 5%
Indirect Facilities Costs Allocated to Administration	\$200,000	= \$800,000 x 25%

Step 4: Calculate the modified total costs for each program and activity to allocate indirect administration costs by adding the MTDC to the allocated indirect costs calculated above.

Program A - MTDC	\$7,250,000
+ Indirect Facilities Costs Allocated to Program A	\$400,000
Program A - MTC	\$7,650,000
Program B - MTDC	\$1,500,000
+ Indirect Facilities Costs Allocated to Program B	\$160,000
Program B - MTC	\$1,660,000
Fundraising - MTDC	\$250,000
+ Indirect Facilities Costs Allocated to Fundraising	\$40,000
Fundraising - MTC	\$290,000
Program A - MTC	\$7,650,000
Program B - MTC	\$1,660,000
Fundraising - MTC	\$290,000
Total MTC	\$9,600,000
Program A - MTC	\$7,650,000
Program B - MTC	\$1,660,000
Fundraising - MTC	\$290,000
Total MTC	\$9,600,000

Step 5: Calculate the total indirect administration costs.

Indirect Administration Costs	\$1,200,000
+ Indirect Facilities Costs Allocated to Administration	\$200,000
Total Indirect Administration Costs	\$1,400,000

Step 6: Calculate the indirect cost rate by dividing the total administration costs by the total modified costs.

Total Administration Costs	\$1,400,000
÷ Total MTC	\$9,600,000
Indirect Cost Rate	14.58%

Step 7: Allocate "Administration" costs to all benefiting programs and activities based on modified total costs.

Indirect Administration Costs Allocated to Program A	\$1,115,625	= \$7,650,000 x 14.58%
Indirect Administration Costs Allocated to Program B	\$242,083	= \$1,660,000 x 14.58%
Indirect Administration Costs Allocated to Fundraising	\$42,292	= \$290,000 x 14.58%

D.4 - Negotiated Indirect Cost Rate Example

ABC, Inc. operates two programs and has a negotiated indirect cost rate. The negotiated indirect cost rate agreement indicates the Agency's indirect cost rate is 15% and the distribution base is total direct costs excluding capital expenditures and equipment. ABC, Inc. reported the following costs:

	Program A	Program B
Salaries	\$ 2,000,000	\$ 1,250,000
Benefits	\$ 1,100,000	\$ 400,000
Capital Expenditures	\$ -	\$ 200,000
Equipment	\$ 60,000	\$ 15,000
Travel	\$ 40,000	\$ 25,000
Materials and Supplies	\$ 60,000	\$ 35,000
Total Direct Costs	\$ 3,260,000	\$ 1,925,000

Step 1: Calculate the direct costs distribution base for each program as required by the negotiated indirect cost rate agreement.

	Program A	Program B
Salaries	\$ 2,000,000	\$ 1,250,000
Benefits	\$ 1,100,000	\$ 400,000
Travel	\$ 40,000	\$ 25,000
Materials and Supplies	\$ 60,000	\$ 35,000
Direct Costs Base ⁽¹⁾	\$ 3,200,000	\$ 1,710,000

⁽¹⁾ Direct cost base does not include capital expenditures and equipment.

Step 2: Calculate the indirect costs charged to each program by multiplying the direct costs base for each respective program by the negotiated indirect cost rate.

	Program A	Program B
Direct Cost Base	\$ 3,200,000	\$ 1,710,000
x Indirect Cost Rate	15%	15%
Indirect Costs Charged	\$ 480,000	\$ 256,500

D.5 - De Minimis Rate Example

ABC, Inc. operates two programs and reported the following direct costs:

	Program A	Program B
Salaries	\$ 750,000	\$ 100,000
Benefits	\$ 250,000	\$ 20,000
Equipment	\$ 50,000	\$ 5,500
Travel	\$ 20,000	\$ 7,000
Materials and Supplies	\$ 40,000	\$ 4,000
Rent	\$ 60,000	\$ 12,000
Total Direct Costs	\$ 1,170,000	\$ 148,500

Step 1: Calculate the modified total direct costs (MTDC)⁽¹⁾ for each program.

⁽¹⁾ MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$50,000 (effective October 1, 2024) of each subaward (regardless of the period of performance of the subawards under the award). It excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000 (effective October 1, 2024).

	Program A	Program B
Salaries	\$ 750,000	\$ 100,000
Benefits	\$ 250,000	\$ 20,000
Travel	\$ 20,000	\$ 7,000
Materials and Supplies	\$ 40,000	\$ 4,000
MTDC⁽¹⁾	\$ 1,060,000	\$ 131,000

⁽¹⁾ MTDC does not include the costs of equipment and rent.

Step 2: Calculate the indirect costs charged to each program by multiplying the MTDC for each respective program by the 15% de minimis rate (effective October 1, 2024)

	Program A	Program B
MTDC	\$ 1,060,000	\$ 131,000
x De Minimis Rate	15%	15%
Indirect Costs Charged	\$ 159,000	\$ 19,650

Any breach of Section 6 CONFIDENTIALITY will constitute a material breach of this Contract and be grounds for immediate termination of this Contract in the exclusive discretion of the County.

16. AUDIT AND INSPECTION

- a. **Self-Audits.** The Contractor must periodically conduct audits, assessments, testing of the system of controls, and testing of Information Security and privacy procedures, including

penetration testing, intrusion detection, and firewall configuration reviews. These periodic audits will be conducted by staff certified to perform the specific audit in question at Contractor's sole cost and expense through either (i) an internal independent audit function, (ii) a nationally recognized, external, independent auditor, or (iii) another independent auditor approved by the County.

Upon the County's request the Contractor must complete a questionnaire regarding Contractor's Information Security and/or program. The County will pay for the County requested audit unless the auditor finds that the Contractor has materially breached this Exhibit, in which case the Contractor must bear all costs of the audit; and if the audit reveals material non-compliance with this Exhibit, the County may exercise its termination rights underneath the Contract.

Such audit will be conducted during the Contractor's normal business hours with reasonable advance notice, in a manner that does not materially disrupt or otherwise unreasonably and adversely affect the Contractor's normal business operations. The County's request for the audit will specify the scope and areas (e.g., Administrative, Physical, and Technical) that are subject to the audit and may include, but are not limited to physical controls inspection, process reviews, policy reviews, evidence of external and internal Vulnerability scans, penetration test results, evidence of code reviews, and evidence of system configuration and audit log reviews. The Contractor must add the County as an additional insured to its cyber liability insurance policy and provide to the County certificates of insurance evidencing the foregoing upon the County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, must not be construed as a limitation upon the Contractor's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

18. PRIVACY AND SECURITY INDEMNIFICATION

In addition to the indemnification provisions in the Contract, the Contractor agrees to indemnify, defend, and hold harmless the County, its Special Districts, elected and appointed officers, agents, employees, and volunteers from and against any and all claims, demands liabilities, damages, judgments, awards, losses, costs, expenses or fees including reasonable attorneys' fees, accounting and other expert, consulting or professional fees, and amounts paid in any settlement arising from, connected with, or relating to:

Notwithstanding the preceding sentences, the County will have the right to participate in any such defense at its sole cost and expense, except that in the event contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

REQUIRED FORMS – EXHIBIT 9

CONTRIBUTION AND AGENT DECLARATION FORM

This form must be completed separately by all bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles ("County").

Pursuant to the Levine Act ([Government Code Section 84308](#)), a member of the Board of Supervisors, other elected County officials (the Sheriff, Assessor, and the District Attorney), and other County employees and/or officers ("County Officers") are disqualified and not able to participate in a proceeding involving contracts, franchises, licenses, permits and other entitlements for use if the County Officer received more than \$250 in contributions in the past 12 months from the bidder, proposer or applicant, any paid agent of the bidder, proposer, or applicant, or any financially interested participant who actively supports or opposes a particular decision in the proceeding.

State law requires you to disclose information about contributions made by you, your company, and lobbyists and agents paid to represent you. Failure to complete the form in its entirety may result in significant delays in the processing of your application and potential disqualification from the procurement or application process.

You must fully answer the applicable questions below. You ("Declarant"), or your company, if applicable, including all entities identified below (collectively, "Declarant Company") must also answer the questions below. The term "employee(s)" shall be defined as employees, officers, partners, owners, or directors of Declarant Company.

An affirmative response to any questions will not automatically cause the disqualification of your bid/proposal, or the denial of your application for a license, permit or other entitlement. However, failure to answer questions completely, in good faith, or providing materially false answers may subject a bidder/proposer to disqualification from the procurement.

This material is intended for use by bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles and does not constitute legal advice. If you have questions about the Levine Act and how it applies to you, you should call your lawyer or contact the Fair Political Practices Commission for further guidance.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76)

Instructions for Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

1. This certification is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that Proposer knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. Proposer shall provide immediate written notice to the person to whom this proposal is submitted if at any time Proposer learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this certification, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
4. Proposer agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
5. Proposer further agrees by submitting this proposal that it will include the provision entitled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76),” as set forth in the text of the Master Agreement, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
6. Proposer acknowledges that a participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. Proposer acknowledges that a participant may decide the method and frequency by which it determines the eligibility of its principals. Proposer acknowledges that each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the required certification. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
9. Where Proposer and/or its subcontractor(s) is or are unable to certify to any of the statements in this Certification, Proposer shall attach a written explanation to its proposal in lieu of submitting this Certification. Proposer's written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the Proposer and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. The written explanation shall provide that person's or those persons' job description(s) and function(s) as they relate to the contract which is being solicited by this Request for Proposals.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

GENERAL INSTRUCTIONS FOR COMPLETING YOUR BUDGET NARRATIVE

(See SAMPLE Budget Narrative Below)

All proposals must have a narrative attached to the budget providing a thorough and clear explanation of all projected line item budget costs. The narrative must follow the same sequence as the line item budget, and include an explanation of the method of allocating costs for any joint or shared budget item. All figures and compilations must be clearly explained.

GENERAL INSTRUCTIONS:

The budget is comprised of both Budget Categories and Budget Line Items.

Budget Categories are the major classifications of expense shown on the Sample Line Item Budget Sheet: Payroll, Employee Benefits, Insurance, Indirect Cost, etc.

Budget Line Items are the individual cost items within each budget category. For example, budget line items within the Payroll category are the individual positions to be funded under this Contract.

The budget narrative must provide clear and complete descriptions that: (1) explain the purpose of each budget line item; (2) how the line item is directly connected to the provision of a given service; (3) the dollar amount requested for the item; and (4) the methodology used to calculate the amount, etc. For example:

<u>BUDGET AMOUNT</u>	<u>DESCRIPTION</u>
\$12,000	Contractor's Program Manager: This position will provide administrative supervision to the Program staff on this Contract and will be responsible for administering the Contract in accordance with the Statement of Work. The total amount requested for this line item is \$12,000 (\$2,500/mo x .40 x 12 months).

The methodology in the above example is calculated by multiplying each item, from left to right, as follows:

Monthly Salary (Total Monthly Salary for this Position)	Percent of Time (Allocated to Work on this Contract)	Number of Months (Allocated to Work on this Contract)
\$2,500	40%	12

The Budget Narrative must include all of the proposed budget line items within that budget category. For example, the narrative for "Payroll" or "Salaries" must include a description of each position to be funded under the contract. Use the same budget categories from your actual "Line Item Budget" in writing the narrative.

PROPOSER'S INVOLVEMENT IN LITIGATION AND CONTRACT COMPLIANCE DIFFICULTIES

Check yes or no for the following questions. If answers to any of the six questions are yes, please fully explain the circumstances on a separate page, including discussion of the potential impact on the contract, if awarded.

As part of the Request for Proposals selection process, the County, in its own discretion, may implement procedures to validate the responses made below. The County reserves the right to reject all or part of the proposal if false or incorrect information is submitted by the applicant.

	YES	NO
1. Is the agency currently, or within the past seven years, involved in litigation?	_____	_____
2. Is the Chief Executive Officer currently, or within the past seven years, involved in litigation related to the administration and operation of a program or organization?	_____	_____
3. Are any agency staff members unable to be bonded?	_____	_____

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete Exhibit J (Charitable Contributions Certification) of Appendix A.
